

His Grace

MEMBERS COMMITTEE'S REPORTS AT ST. CARMEL.

connection with the vast undertaking of retaining wall bordering the road, and the draining of the unused portion of the cemetery, his Grace the Archbishop has been to the Committee the subject of the work already begun. Referring to our connection with the cemetery, some days ago concerning the improvements to Mount Carmel Cemetery, I am very pleased to say that the work has already begun. The improvements undertaken by the Committee—namely, the excavation of the wall and the draining of the ground—were most necessary and it is gratifying to know that the Committee at last finds itself in a position to undertake the work. The plan of financing suggested is also very satisfactory, and it was a great pleasure to be able to co-operate with the Committee in completing the arrangements.

I am sure the work is one which will commend itself to all our Catholics, especially to those who are near and dear ones find a resting place in Mount Carmel Cemetery. The work is surely a sacred duty and a great privilege, and I pray God's blessing on the efforts of the Committee, and on all those who will assist in this meritorious work.

Let me say that I appreciate much the active interest manifested by your Committee at all times in the management of Mount Carmel Cemetery, and I commend your future endeavours to the generous assistance of all.

Sincerely yours,

(Sd.) F. P. ROCHE.

Archbishop of St. John's. The Committee estimate that it will cost approximately outlay of three hundred dollars, but both works are not only necessary but urgent. In addition, the Cemetery has been thoroughly gone over during the past fortnight, the graves are graded, and all debris removed, in preparation for the August Mass which will take place on this Sunday at 10.30 a.m. Fr. Pippy, P.P., of St. Joseph's, will be the celebrant, and will also deliver the sermon of the day.

A trial of delicate scent—a wee bit of fragrant powder—a miniature of vanishing cream—a dainty jar of cold cream—all for fifty cents in the THREE FLOWERS Tray at any Drug or Dept. Store.

E, Ltd. Playground Pet Show

This is the week of all weeks in the when the cat receives an extra bit of milk and the dog receives an extra bit of food that can be selected. The fur is patiently stroked to its place, and the dog's hair is brushed into smoothness. Both receive a most cleansing wash to make the white parts whiter and the black parts blacker. Even the Rhode Island Rooster is given a bit, for on Friday they look fat and sleek and well kept. Expect to win one of the prizes in the Pet Animal Exhibition at the Grandstand.

At the summer Pet Animal Show the first big event of the Playhouse season, and was a decided success. The dogs exhibited would have any bench show in variety. There were Pugs, Poodles, Setters, etc. The cats varied in size around its neck, to a beautiful Maltese Kitten, carried in a bird cage, and luxurious looking cats with long thick hair, and two boys brought a huge cat filled with grass which was the pet of a loving family of rabbits. The tortoise and the donkey were the most admired by the visitors.

Year we hope for even greater success and closer co-operation with the Society for the Prevention of Cruelty to Animals. We feel that an increase of this kind increases the happiness of the part of the child towards our dumb animals. A boy loves his own dog more if he thinks that other people are adding to it. We believe that a child who has a pet to love and care for has missed one of childhood's pleasures.

The weather is good on Friday afternoon at 3 p.m. the children will be welcome to their exhibit. Welcome you to their exhibit.

St. Michael's Garden Party

St. Michael's Garden Party which took place at Lester's Field yesterday was largely attended, and proved very successful. Among those who visited the grounds during the afternoon were His Lordship the Bishop and Mrs. White, and Rev. Canon Bolt, who were heartily received by Rev. E. G. Nichols, Pastor of St. Michael's. The committee in charge conducted a sports programme which was thoroughly enjoyed. The various events being well contested. Various side shows and other amusements was the attraction for many, and a good afternoon's fun was spent by all. The C.L.B. Obituary

MARY C. WHITE. The many friends of Miss Mary C. White, formerly of Bonavista, but for some years residing in the city, will learn with regret of her passing, last night, at her residence, 54 LeMarchant Road, after an illness of only a few hours. During the day she had enjoyed her usual good health, but about 9 o'clock, while obtaining a book in the parlour, was stricken with paralysis and collapsed. Her sister-in-law, Mrs. M. A. White, entering the room on hearing the fall, found her prostrate on the floor. Rev. M. Kennedy and Dr. Grieve were at once summoned and did all in their power, but at 11 p.m. Miss White passed away. Deceased, who was 58 years of age, was highly esteemed because of her amiable and charitable character, and all acquainted with her will sincerely mourn her sudden demise. She leaves two brothers, M. A. White, Superintendent of the Eastern Division of the Railway, with whom she resided, and John J., of the firm of McCormack and Walsh, Catalina. The funeral took place at 12.30 to-day from 54 LeMarchant Road, to the Railway Station, the remains being forwarded by the express to Bonavista, where interment will take place.

"Sanitas"

In pre-war days "Sanitas Disinfectant" was well and favourably known in Newfoundland and enjoyed ready sale amongst well informed people. It is again for sale at our Drugists. Sanitas is unique amongst disinfectants, because whilst being good for all the usual purposes of a disinfectant, it is recommended for use as a gargle, as a mouth and tooth wash and for offensive breath. "Sanitas" is positively non-poisonous; for this reason alone, many people prefer it for household use, particularly where there are children or aged persons. Sanitas is a safe disinfectant. The odour of Sanitas is pleasantly fragrant. Sanitas may be used without announcing the fact that there is sickness in your home. Sanitas is made by The "Sanitas" Co., of London. Disinfectant Manufacturers to His Majesty the King. A bottle of "Sanitas" costs 35 cents. "Sanitas" is indispensable where personal cleanliness is desired. July 16, 1925.
