## BOOSTERS CLIMB OUT OF THE CELLAR BY BEATING BRONKS

Free Hitting Contest Last Night Won by Chesty's Tribe Twelve to Seven

Errors by Bronks Started Booster Batting Rally and Seven Runs Scored

Cox Got Four Safe Swats and Had Fielders Guessing the Game Was Wierd One

The Boosters decided last night that it was about time that they got out of the cellar and so they turned upon Pete Standridge, who had tumbled them upon so many previous occasions, and when the undertaker was ready to collect the scattered remains he found nothing but a coat of twelve to seven, in favor of the men from the 7th Dam Site.

As was the reason for the Bronks' defeat was errors at the critical time. The accident happened in the fourth round when Lobbie Vais took a balloon ascension after scooping up a nice one, threw wide to first, which gave Raymond a lead on life before the side was retired seven profane runs had crossed the pan, which number was enough to win any respectable game.

This one disastrous inning did not take the heart out of the locals, who fought right up to the finish but were unable to overcome the big handicap. By virtue of their victory yesterday, the fact that the Boosters lost the game in Edmonton, the Boosters showed the champions down into the cellar position and assumed third place for themselves.

Opposed to Peter Standridge was our old Moose Jaw friend "Snapper" Naveen, who gets his name from the peculiar method which he uses in getting rid of the ball. Snapper pitched a very average game, being hit pretty hard but not quite hard enough to lose the game, especially since the Bronks were in the crowd bawling.

The game was a weird one to watch. There were lots of things done which are placed in the miscellaneous column in the baseball encyclopedia, but nothing which would be inclined to write to the folks back home about the day, getting for safe scores, in his six appearances at the plate. The first two times up he cracked two homers just inside the third cushion.

He got set over by the catch ready to catch a grounder only to have Eugene come down between short and third, through the spot where Eugene had stood on the first two occasions. When he came up again, he got set over by the catch ready to catch a grounder only to have Eugene come down between short and third, through the spot where Eugene had stood on the first two occasions.

Pen Davidson took the first sack in the absence of O'Hare, who was a bad finisher. Everybody looked to Davis to boot a few but he went out and accepted fourteen chances in a row and then the boot didn't catch anything.

Rube Mills made a brilliant attempt at getting a home run, sending a choice curve out on the crest of the hill at the back of the lot, but in spite of his speed, the blow went for only three bases. There is yet to be made a home run, and the crowd is waiting for the man who makes it.

## TOM SHARKEY WANTS BATTLE WITH T. BURNS

Sailor Says That He Will Contend for Heavyweight Title By Defeating Burns

Tommy Regards Challenge as Joke and Has No Kind Feeling for Originator

Sharkey Expects By Strict Training to Get Back in Condition

New York, Aug. 13.—"Sailor Tom" Sharkey, once a leading heavyweight pugilist with a record of standing six rounds before Jim Jeffries and giving the then champion one of the hardest battles of his career, announced himself tonight as a "contender for the white heavyweight championship of the world." Sharkey looks to gain this distinction after a long period of retirement by taking the measure of Tommy Burns, whose defeat by Jack Johnson gave the latter the world's title.

Sharkey says he has been led to believe that Burns wants a return match with Johnson, and expresses his own willingness to arrange a match with Burns, "under any fair conditions the latter may name."

He expresses confidence that if he takes "a course in strict training," he can re-enter the ring and defeat Burns. When the above despatch was read to Tommy Burns over the phone last night he didn't know whether to laugh or to cry.

Personally he regards the challenge as the result of some practical joke, which was taken up by the Gotham newspaper men and accepted in good faith. "I take the challenge just as an amusement," he said. "I am not in the ring to defend the title."

Sharkey looks to me as though some of the fight fans in the States do not think that I am in earnest about my claim to the heavyweight title," says Tommy. "If Jack Johnson retires, as he says he has, then the title belongs to me as of right. I will defend it against any legitimate claimant. I have practically signed a sentence to fight Langford."

"If I were not in earnest about this thing, do you think I would have never felt better in my life and I am going to feel some of these boys who pretty soon."

During the fifteen minute race for twenty-five foot motorboats which was won in 2:45 by "Chicago," owned by E. J. Richardson of Chicago, "Kitty Hawk," owned by R. H. Linthick of Detroit caught fire and sank about a mile and a half from shore. She was the second motor boat to sink during the carnival.

Baby Reliance sank yesterday. Peen-Monroe, driver and Fred Joseph, mechanic of Kitty Hawk, were picked up a few minutes after today's accident. Debutants, owned by Nod Sampson of London, England, finished second, and "Beat It," owned by L. H. H. of Chicago, was third. This was the only motor boat race finished today. Several changes were made today in the conditions under which the regatta was to be held. The regatta was made a triangular one three miles to each side, the entire nine mile course was sailed twice in each direction.

In today's race, the wind was light and puffing at the start but was freshening almost to a gale just before the finish.

**HAMILTON RACES**

**ESKIMOS WIN ONE AND THE CITY TEAM DEFEATED THE POSTIES 3 TO 2**

Edmonton, Aug. 14.—The Eskimos captured yesterday morning's contest last evening, started off in promising fashion, even though neither team had out a full eleven. Post Office having only nine men, and the City ten, two goals being scored inside of ten minutes, and both were going strong.

The City were the first to take the lead, Foley swinging the ball across to the opposite wing, and White lifting the ball in to Banks. The inside right worked into the front of goal before turning the ball round Boothman into the net. This was the first goal since the game was played in the city, and he played very well.

At the other end, Patterson tried a shot from fifteen yards, which was completely deceived Richardson and put things equal again.

The play up to this time had been pretty good, but afterwards it deteriorated and the City began to have the better of matters. Stewart put them ahead again with a low shot which was deflected by White. Stewart almost got through again, Thornhill giving a corner to relieve danger. Stewart and Foley carried the ball up the field, and finally the centre gave to Foley when the latter appeared to be standing offside, and he scored a third goal.

The teams crossed over with the score 3-0 in favor of the City.
