Why You Should Advertise.

When people are so unfortunate to lose any article belonging to the they should always resort to The A vertiser, with a notice of the loss. This not always done, and in many cas the finder never returns the article sin ply because no advertisement is i serted. A sharp and quick effect of lost "advt." was that of Miss Harding 125 St. James etreet, who advertised a Monday evening's Advertiser. Early Tuesday morning they were the office by Miss Annie Milroy, 168 John street. The Advertiser has returned hundreds of lost articles to their owners, and will still continue to be the best aid to the unfortunates in recovering their losses.
