at the Russell House. The doctors will testify at the inquest on Monday night that there were no traces of poison, that the organs of the body were normal, and all the indications point to death from natural causes. There was a suspicion that he might have drugged himself into the unendjust prior to Easter.

FELL INTO TOGO'S THE STRASHNI

Mine That Sunk Petropavlovsk Russ Torpedo Boat Went Down Was Laid by Japs. Battling to the Last.

MAKAROFF WAS ENTICED OUT PEN PICTURE OF THE BIG FIGHT

Gallant Attempt of the Cruiser The Times Man Tells of the Jap At Bayan to Rescue Torpedo Boat From the Enemy.

Tokio, April 16, 9:30 p.m. - Admiral Togo reports that in the attack on Press correspondent, believing that sian ships out fifteen miles from the went from Liao Yang to Port Arthur, Japanese mine and was sunk.

Admiral Togo reports that the com- I watched with the sentries on Golden bined fleet, as previously planned, commenced on the 11th of April, the eighth attack on Port Arthur. The fourth and the fifth destroyer flotillas and the fourteenth torpedo flotilla and the Nerve Mary reached the mouth the Kervo Maru reached the mouth teeth of a gale, eight torpedo boats of Port Arthur at midnight of the 12th, and effected the laying of mines Golden Hill, on which I was standing, 12th, and effected the laying of mines at several points outside of port, defying the enemy's searchlights. The second destroyer flotilla discovered at dawn of the 13th one Russian destroyer trying to enter the harbor, and stroyer trying to enter the harbor, and an investigation of the fortifications flashed over the inky waters of the roadstead and far out to the hazy horizon.

At 11 o'clock I heard firing at sea, and counted seven shots but could see stroyer trying to enter the narbor, and after a 10 minutes' attack, sunk her.

Another Russian destroyer was discovered coming from the Liao Tishan, ered coming from the Liao Tishan, and was attacked, but she managed to ward, about five miles from shore, six flee into the harbor. On our side there torpedo boats strung out in line, all were no casualties except two seamen firing. In the lead and outstripping on the Ikazuchi slightly wounded. There was no time to rescue the enemy's drowning crews, as the Bayan my's drowning crews, as the Bayan third float reached approached. The third fleet reached clouded in steam and lagging. She outside of Port Arthur at 8 a.m., when evidently had been hit. It was diffithe Bayan came out and opened fire. cult to distinguish our boats, but final-Immediately afterwards the Novik, Askold, Diana, Petropavlovsk, Pobieda and Poltava came out, and made an and Poltava came out, and made an and that the four others were Japanoffensive attack. Our third fleet hard-ese. The flash of the guns and the ly answering and gradually retiring. splash of the projectiles as they struck enticing the enemy 15 miles south- the water showed the intensity of the east of port, when our first fleet, informed through wireless telegraphy, from the third fleet, suddenly appear was escaping was firing viciously. The ed before the enemy and attacked four center craft drew together, conthem. While the enemy was trying centrating their fire upon her, but the them. While the enemy was trying to regain the port a battleship of the Petropavlovsk type struck mines laid by us the previous evening, and sunk at 10:32 a.m. Although another ship was observed to have lost freedom of the the confusion of the enember the enember the confusion of the enember the enemb

no damage, and the enemy's damage. circle and poured in a deadly fire. The beside above mentioned, was probably slight also. Our first fleet did not reach firing distance. Our fleets retired at 1 p.m., prepared for another attack. They resalled April 14 toward Port Arthur. The second, fourth and the fifth destroyer flotillas and the ninth torpedo flotilla also joined at 3 a.m. and 7 a.m. No enemy's ship was found outside of port. Our first fleet arrived at the port at a first fleet arrived at the found in the Strashni grew denser, a first fleet arrived and pour fleets in a deady must be a first fleet arrived and pour fleets in a deady must be a first fleet arrived and pour fleets in a deady must be a first fleet arrived and pour fleets in a deady must be a first fleet arrived and pour fleets in a deady must be a first fleet arrived and pour fleets in a deady must be a found in the fleet arrived and pour fleets in a deady must be a fleet arrived at the pour fleet in a deady must be a fleet arrived at the pour fleet in a deady must be a fleet arrived at the pour fleet in a deady must be a fleet arrived at the pour fleet in a deady must be a desperately wounded animal brought to bay. Running straight for the adversary barring her way to safety, she passed the Japaness astern and fired at them. At this stage, Vice-Admiral Makaroff, who had been observing the progress of the conflict through a telescope, signaled to the cruiser Bayan, lying in the beside above mentioned, was probably
