EXTRA C. P. R. One-Class-Cabin Ships

These steamers carry only one class of cabin passengers. The first-class being entirely eliminated leaves to the second-class the best accommodation on the vessel. The cost of passage is consequently at a MODERATE (Second-class) RATE. This service— hitherto provided by the steamers "LAKE ERIE" and "LAKE CHAM-PLAIN"-having proved inadequate to meet the growing and popular demand for one-class-cabin ships, is now to be augmented by the

S.S. "Lake Manitoba'

The addition of this most favorably known, steady, spacious, and comfortable vessel to this service is further evidence of the excellence of the Canadian Pacific Railway Company, Atlantic Service.

EXTRA SHIPMENT Of Cable Net Curtains, \$2 to \$5.50

These have arrived just in time, as many of our customers have already found out for themselves that our Cable Net Curtains are of something more than ordinary merit, and wear longer than any other make. You naturally say, "WHY?" Because Cable Net means that the threads are all doubled and twisted, which you will readily understand gives the assurance of great service.

Customers are asking for Cable Net Curtains more and more each season, which is the strongest guarantee we can give you as to their merit, and as our range was becoming depleted, we were commencing to fear that this extra shipment would not arrive in time, but the backward season has been in our favor, and yours, too, if you have not already bought your Cable Net Curtains, for now you have a new stock to choose from, fresh from their packages. Just at the finish of housecleaning when you are ready to have them hung. SEE OUR \$2.35 SPECIAL. The regular values of these are easily \$2.75 and \$3.00 a pair. In White and Ivory.

Also Fine CABLE NET CURTAINS in handsome Battenburg designs, both white and ivory, at a pair\$3.00, \$3.50 and \$3.75 Handsome CABLE NET CURTAINS-Very fine goods in dainty and effective

designs, all double thread, white and ivory, at pair\$4.00, \$4.50 and \$5.50

Don't delay getting your order in for this silk. The third shipment this season, but they don't stay long enough to get acquainted, and many dressmakers are waiting with orders to get the scissors into this lot as soon as they arrive. Many have become impatient, they have seemed so long coming, but they are here now and selling rapidly. For those who have not seen this quality we might say it is 34 inches wide, a Chinese hand-loom silk, but dyed in Lyons, France, good black, very rich in color and finish; the highest grade imported, heavy quality and fine weave, guaranteed not to slip, and a silk we recommend to our customers for satisfactory wear. Stamped "SOIE DE NERO."
