Walf Street, Noon,
NEW YORK, April 22.—Some increase
in outside business resulted from the recuperative power displayed by yesterday's market. Room traders operated
more confidently on the long side, paying
particular attention to stocks, in which
the short interest appeared to be vulnerable. Buying standard stocks influenced
speculative ventures, and encouraged pool
activity on the shares for which a wider
distribution is sought. Business diminished after the level of prices had been
raised from half a point to a point, and
there was some realizing by traders, who
argued that the upturn had been completed for the time being. Bonds were

deerer plants to be set out. The parks
survey of the city has been practically

SELLLIVE STOCK ATCHURCHFAIR

More Than \$2,000 Realized at St. Marys Bazaar.

The church fair at St. Mary's Roman Catholic Church in East London, which has been in progress since a week ago Monday, and which was to have been concluded this evening, has been a great success, and the anticipations of the committee have been more than

At the request of a large number of their patrons the managing committee of St. Mary's Church fair have decided to keep the fair open until Wednesday evening, when the drawings will take

Company, agreed to supply McNee & Sons with skilled labor. It is claimed large, and the supplies in every booth that Bouldt supplied the Windsor firm with 100 men and girls who were taught pected that when the sale is closed this the clgar-making trade at the Hemmeter evening that every article will have plant. As there is a scarcity of hand-collers in Detroit, the Hemmeter Com-Monday evening, total over two thouspany trained workers in this line, and and dollars, and the ladies expect that when Bouldt sent the across to Windsor the building fund of the church will to work they claimed they were put to be greatly augmented by the receipts a great loss.

The articles offered for sale were of call for help from the McNee & Sons' all descriptions, and even included live plant the complainants decided they stock, such as dogs, chickens, ganders would start action and get an injunction and ducks. The most popular part of It is alleged that Bouldt is getting a the tair was the live stock.

The fair was the live stock the sales in this department exceeded the sales in this department exceeded. all others. Messrs. MoDougall and Moralee, who had charge of the dog and chicken sections, have been kept busy every night in explaining to prospective purchasers the fine points of

the various animals and birds, Another feature was the orange tree conducted under the auspices of the unior Holy Name Society. The tree was heavily laden with small oranges, every one of which contained a prize or the purchaser.

The committee in charge was com-Phil. Lewis and Miss Diknoether, and o these ladies, along with the numerous and capable assistants, is due the success of the fair.

HOG CHOLERA

break Near Glanworth [Special to The Advertiser.]

Glanworth, April 22.-Special Government men are here trying to check one of the worst outbreaks of hog cholera that has ever occurred in this district Yesterday nearly fifty fine animals, valued at several hundred dellars, were killed in an effort to prevent the disease from spreading. The Government men are making every effort to try and trace the origin of the local cases.

BUILD NEW CHURCHES. [Special to The Advertiser.

Thedford, April 22.-Work will tarted here shortly on handsome new ement block churcles for both the Methodist and Anglican congregations. The Anglican Church was so badly damaged in the recent gale that a whole new building will have to be erected.

Personal Mention

Mr. Roy L. Nichols, of Moose Jaw, ask., is visiting his parents, Mr. and Mrs. A. B. Nichols, 11 Beaconsfield ave-

Miss Mae Battensby was surprised cently by about twenty of her girl riends, who honored her with a varety shower at the home of Miss Seatrice Gould. The evening was spent games, music and singing. At midnight a dainty luncheon was served by the hostess, after which the guests eft for their homes, wishing Battensby all best wishes for her future happiness.

BECK TRIES TO FRUSTRATE

(Continued From Page One.)

trical Development Company?" asked Had His Facts Twisted. "I cannot say," was the reply, "the whole thing was a tempest in a tea-Mr. Beck came to the meeting oaded up with the wrong information, out on being assured that we had no

ntention of selling power in competiion with hydro he calmed down."

Mayor Hocken was equally as reicent and refused to make any statement beyond the fact that his inten-tion in purchasing the Toronto street railway was to benefit the citizens at

"Of course the workingmen would be benefitted most," said he, "because they live in the outskirts and they are the ones who have to pay the extra fare to the York radial lines. However, before anything definite about the purchase is done we are going into the prices paid for electric power and everything else connected with the case, so that we will be able to give definite information on the sub-

ject when the time arrives. One prominent citizen told The Adveriser that Adam Beck was trying the ame game of "bull dozing" in this city that he is trying in London on the elec-trification of the Port Stanley Rallway, but that he is not going to get away

with it here. Mr. R. J. Fleming, general manager of the Toronto Electric Company would not give any interview, his secthe "Queen of Sheba;" Miss McBride, retary claiming that he had refused to see any of the local reporters for the past week.

"He is neutral on the question," aid the secretary. "We are not overanxious to sell the road, and so Mr. Fleming is letting the matter take ts own course.

NAPIER.
