### BYLAW BUSTERS MAIN OFFENDERS IN COURT TODAY

Seven That Fractured Traffic Regulations Surrendered a Dollar Each.

Militia Camp Has Furnished Very Little Police Court Material This Year.

There is a fine distinction between a militiaman and a soldier. A ser-geant-major of the Thirtieth Rifles, now in camp at Carling's Heights,

luted Magistrate J. C. Judd. Whether it was the uniform or not or whether it was the soldier-militiaman's evidence, the friend for whom he appeared was discharged on a charge of disorderly conduct. George Cochrane and Joseph Warren both had appeared on a disorderly charge. According to the testimony of Officer Wm. McCullough they were rolling on the ground last night when he arrest

ed them. Warren swore that Cochrane had struck him without provocation, and that he had merely defended himself His evidence was backed up by that of the militiaman. He testified that Cochrane had addressed insulting remarks to a member of the Thirtieth Regiment, and that it was the sol dier, and not Warren, who had struck Cochrane.

Warren was discharged. Cochrane

drew \$3. James Repentant. It is two years since James Mc-Intyre appeared in the prisoner's box for accumulating too large a load of wet goods. It will be two more before he returns, according to James'

own statement when he was let go.

Thomas Pryer insisted that Officer Mackie was mistaken when he swore that he had driven an auto past the rear of a standing street car. The magistrate said he had, however. The \$3 fine also said the same thing. Another motorist said he had not driven his auto 25 miles an hour on Dundas street. Officer Cecil McRob-erts swore that he had. The motorist countered by saying that the officer couldn't tell. The officer said he had timed him. The reply to this was that the officer couldn't have been

curate because it was night and he had no stop-watch, Mr. Motorist paid

\$5 and costs Bylaw Busters. The usual quota of traffic bylaw ousters appeared this morning. They numbered 7. Their contributions to the court treasury numbered the same in dollars. There were two breaches of the motor vehicle act, six drunks, and three disorderly cases to round

### FREIGHT RATES **NEED ADJUSTING URGES EXPERT**

Favors Increasing the British Columbia Tariff and Lowering Prairie Schedule.

ally Pay for Several Years.

[Canadian Press.] Ottawa, Ont., June 24. - Denying lowering of those in the prairie erating loss now suffered by the C. P. R. on some eastern divisions could be expert who is handling figures for Dominion counsil, was on the stand during today's session of the western rate

Mr. Muller was examined at the opening of the morning session by Mr. W. A. McDonald, counsel for British Columbia, who asked him when he had come to the conclusion that British Columbia rates should be raised and those in the prairie provinces low-

"I came to no such conclusion," said Mr. Muller. "I don't think you need worry over any raises of rates," said the chair-

Taken as a Decision. "I can take that as a decision," remarked Mr. MacDonald. Judge Phippen, of the C. N. R., thought that if Mr. Muller's theory were put into effect rates might be increased n some divisions, but Chairman Drayton

Muller said he could not see what question of discrimination-admitted the question of discrimination—admitted by the railways in the Vancouver rate case—had to do with a cold-blooded analysis of the cost of carrying freight, and that the cost of building a road or the way it was financed had nothing to do with his system of cost analysis. A return on capital invested would be taken care of by fixing the proper gross profit. which would add it to the actual cost of

moving freight.

Branches Slow Pay.

In reply to further queries, Mr. Muller stated that branch lines were generally unprofitable for three to five years. Speaking of the loss on operation on the division, he admitted it could the made up by an increase in rates,
"Now, Mr. Muller, what do all these figures suggest?" asked Mr. MacDonald.
"They don't suggest anything. They are merely cold-blooded deductions," said

the witness.

The 50 per cent of gross profit he had allowed in his calculations on freight operation was simply for purposes of comparison, not any attempt on his part to say what was a proper profit.

### NO HOPE FOR INJURED GIRL

Coach, Had to Have One Leg Amputated.

#### OTHERS ARE DOING WELL

[Canadian Press.] North Bay, June 24.-The injured in

last night are all doing well except Miss Morel, daughter of Harry Morel, M.P.P. ribly injured and lies unconscious. Her one leg. She will hardly recover.

She was crushed beneath one of the cars, which had to be lifted before she could be released, and she suffered greatly from shock and loss of blood besides her injuries.

Others injuried were the class of the country of the cars of the injuries necessitated the amputation of others injured were the oldest Miss Morel, Miss Parette, Wm. McIlroy, of Mattawa; James Hennessy, commercial

Mattawa; James Hennessy, comm traveller; J. F. Fraser, trainman, John Gorsky All are reported doing well and not seriously injured.

The accident occurred on a rocky ledge blasted out of the mountain side to make room for tracks overlooking the Ottawa River, and derailment is supposed to have been the result of a broken wheel.

At this point the distance from the tracks to the water was not great, and

He came from New tition for four-in-hand teams.

### GRAND RUSH TO CAN THE BERRIES

This is the day that the succulent strawberry gets

An alarm went out from the fruit and grocery stores to the housewives of London informing them that today was the best opportunity to get strawberries at the lowest price for the season, which was at two boxes for the

Immediately there was a stir in the kitchens of London. Ironing day though it was, the decks were cleared for action once the big baskets of laundry had been put away.

Most people didn't buy strawberries in crates this year. Usually three or four boxes can be had for the price of two at this season, and there will not be much preserving of them this year. The fruit has been the scarcest in many years, and the grocers say that the price will not be lower.

paper, because that privilege granted to Canada. The importations were made from France, Germany, OVER \$1,000,000 Norway, Sweden, Denmark and other European countries

### BREEDING FOXES OF RARE SPECIES HOBBY OF DOCTOR SIR WILFRID RETURNS

Maritime Delegate to Medical Association Tells of Silver Fox Ranch.

Branch Lines Do Not Gener- As Easily Raised as Dogs, and the Skins Bring Fabulous Prices.

None realize better than medical men the value of a hobby in helping that he was advocating an increase of to divert the mind from the stress and freight rates in British Columbia, and strain of modern life. Many of th dectors at the Medical Association provinces, but admitting that the op- meeting are interested in little side lines which they pursued mainly fo the pleasure they get out of them evened up by an increase of rates Some are great dog fanciers, others therein, J. P. Muller, the United States are breeders of fine horses, while some ind diversion in participating in mil

ary matters.
Dr. Alex. MacNeill, of Summerside P. E. I., can perhaps lay claim to one f the strangest hobbies of all. He is a preeder of the rare silver fox, and a his home in Prince Edward Island conducts a ranch, where he has suceeded in raising a number of these are and incidentally lucrative pets.
Although a busy man at the con ention, Dr. MacNeill took time to chat with an Advertiser reporter this mornng, who had heard about his succes as a breeder of foxes. "They are just as easily raised as dogs," he averred, 'after you have once provided a suit-ble inclosure in which they have plenty of room, and from which they

Difficult to Keep.
They are difficult animals to keep n captivity, he said, as they have excellent facilities for burrowing and the inclosure is surrounded has to extend a considerable distance beneat the surface of the ground to keep the cunning creatures from burrowin out, and they will also climb the netting quite readily, and a special overhanging strip has to be constructed all along the top of the netting to keep them from gaining their liberty in this

Their skins are of immense value and bring fabulous prices in the fur markets of Europe.

Dr Macneill had the honor of isit from the Duke and Duchess Connaught and Princess Patricia las all. They were intensely interested in his nets and spent some time looking Princess Patricia about the ranch. named the ranch "St. Patrick's Ranch" a name it has borne ever since.

### MEETING TO DISCUSS TRANSFERRING OF GAMES

London Will Protest Against Peterboro Contests Going to the Capital.

President Stevely, of the Tecumsehs,

has received a communication from

President Fitzgerald, of the Canadian League, that a meeting will be held on Wednesday evening at Hamilton for the purpose of discussing the transthe wreck of the Kippewa passenger train ferring of the Peterboro games from London to Ottawa. London will strenuously object to the transfer of these games, as Peterboro has not as yet made its appearance in London this season, London should have something

Sherbrooke Council Wants Bomb Outrage Cleared Up. [Canadian Press.]

Sherbrooke, Que., June 24.—The city ouncil is considering a proposition to offer one thousand dollars' reward for a solution of the Bilodeau mailed bomb tragedy. In spite of Detective McCaskill's assurance that no arrest had been decided upon in connection with the crime, it is understood that the sleuth is now working on the last link in the chain of evidence which may provide an explanation of the affair. steadily in one direction.

NOTED STATESMAN DEAD. [Canadian Press.] Lima, Peru, June 24.—Nicholas Pier-

ola, a noted Peruvian statesman, died here during the night. The Government has ordered the embalming of his body, and has arranged for a public funeral, in which he will be accorded the honors usually paid to a presi-
