

Former Londoner Sets Out on Long Trip by Motorcycle

Accompanied by His Wife, He Intends Making
Trans-Continental Ride Between Detroit
and Seattle in Six Weeks.

Mr. and Mrs. Wellman Starting Out.

Mr. and Mrs. A. A. Wellman, of Detroit, are in the city at present stopping over on their way to the Pacific coast by motorcycle. Mr. Wellman is a former Londoner, and he is visiting his parents, Mr. and Mrs. A. E. Wellman, of 29 Dundas street, preparatory to making a transcontinental ride that promises to be an achievement in the history of motorcycling.

Mr. and Mrs. Wellman have been motorcycle enthusiasts for some time. They have frequently taken long trips together, but the journey which they are now taking promises to eclipse them all. They intend to make the 3,000 or so miles lying between Detroit and Seattle, via London, Hamilton and Buffalo, then back to Cleveland, and through via Chicago. They left Detroit on Aug. 5, and have been visiting friends between there and this city. They arrived here on Sunday last, and have been in the city all week. They will leave here about the first of the week.

The trip is remarkable for the fact that Mr. and Mrs. Wellman intend riding tandem. Generally, the sidecar attachment is used on long trips with a motorcycle. Mr. Wellman stated last evening that he expected good roads nearly all the way, although they were liable to strike some rough ones in Montana, especially if they arrived there during the rainy season. A full list of accessories is carried with the machine, and every provision made for tire or engine trouble. Mr. and Mrs. Wellman expect to make the trip in about six weeks.

Mr. Wellman left London about six years ago, and has since resided in Detroit.

Detroit, Aug. 15.—Walter Johnson, Washington's mighty pitcher, made baseball history today, when his team defeated Detroit, 9 to 7. It was his twelfth consecutive victory, this season's record in the major leagues. Earlier in the season he won eleven games before being beaten.

With his club holding a six-run lead when the seventh inning was completed, Manager Griffith replaced Johnson with Gallia. After holding the Tigers scoreless in the eighth, the youngster went to pieces in the final inning. Harper was worse, and Hughes had to come to the rescue. Score:

DODGERS BATTLED PIRATES TO A TIE

Game Was Called at the End
of Fourteenth on Account
of Darkness.

BOTH TEAMS HAD 3 RUNS

Giants Won Again From Cardinals—
Cubs Beat Braves, and Phillies
Won From Reds.

New York, Aug. 15.—After battling 14 innings, with the score 3 to 3, Chief Umpire O'Day called the game between the Pirates and the Dodgers at Ebbetts Field this afternoon on account of darkness. At least, Mr. O'Day thought it was too dark to continue the bitter fight, although it must have been possible to play another inning. It required two hours and forty-nine minutes to complete the game, and as the Pirates don't appear in Brooklyn again this season, the tie will be played off when the Dodgers visit Pittsburgh next month. Thirty players took part in the fray, fourteen Pirates and sixteen Dodgers. Pitch-hitters and pitchers were brought into the lineup so frequently that amateur score-keepers finally tore up their cards in disgust. Score:

He then pitched effectively until the eighth inning. Score:

SAIER'S TIMELY HIT.
Boston, Aug. 15.—Chicago batted three Boston pitchers hard today, easily winning, the last game here, this season by 14 to 5. Lavender held Boston to five hits, but his wildness caused him to be relieved in the eighth by Cheney, although the Cubs were eight runs ahead. Saier's hits drove in four of Chicago's runs. EXTEND PLANS FOR THE BYRON PREVENTORIUM

Accommodation Will Be Sup-
plied for Fifty of the Child
Patients.

Because of the large number of children with tuberculosis that have been discovered in the city by visiting nurses, the Ladies' Aid of Byron Sanatorium have decided to enlarge their plans for the preventorium. It was at first thought that accommodation for twenty-five children would be sufficient, but a canvass of the city revealed the fact that they would not be able to look after all the children with this limited room. A building is to be erected at a cost of \$15,000 to handle fifty patients at one time. The first estimated cost was \$6,000, but the tenders called for twice that amount, so the ladies decided that they would go ahead and make accommodation for fifty children, the cost of the contemplated building to be \$15,000. The subscriptions already received will not reach the amount necessary, and the ladies are pledged to secure sufficient funds. In spite of the seeming difficulty of securing the necessary money the Ladies' Aid expect to have the money to start operations right away and have the building open early in the new year.

LOVE FEAST NOT A FIGHT

Expected Strenuous Session of
Joint Committee Failed to
Develop.

CUT ALTERATION COST

What might have been a rather strenuous session of the joint county and city court house committee developed into nothing more than a love feast at the county buildings, this morning. The county members coincided with the city aldermen on all questions. Nothing more important than alterations of the original plans for the court house ceiling came before the joint committee, although these alterations are expected to reduce the alteration cost by \$1,000.

Judge Opposes Change.
Judge Talbot Macbeth opposed the proposed "squaring" of the ceiling by removing the present arches. Acoustic properties of the court room are perfect, and the judge opposed any changes that might lessen or impair these properties. H. C. McBride, architect in charge of the alterations, suggested an asbestos curtain ceiling that would be guaranteed to preserve the present qualities.

It was decided, however, on motion of Ald. J. H. Saunders to leave the ceiling as it is, save panelling the present trusses.

May Enlarge Vaults.
Warden A. J. Currier brought the question of enlarging the vaults of the sheriff's office to the committee, and a sub-committee, composed of Ald. Saunders and County Councilors J. L. Curry, of Glencoe, and Warden Hodgins, was appointed to deal with the question. The same committee was empowered to purchase a vault truck for County Court Clerk Ed. Weld.

The county councillors who were present were Warden A. J. Currier, J. L. Curry, Glencoe; C. B. Hawkshaw, Lucan; Arthur Banks, Dorchester; J. Robson, London Township; L. L. McTaggart, Ekfild. The city was represented by Mayor Graham, Ald. B. W. Bennett and J. H. Saunders.

FORTY THOUSAND MEN REQUIRED

Farm Laborers' Excursions—This Year's Wheat Crop Will Be the Largest in the History OF CANADA.

The wheat crop of 1913 will be the greatest ever harvested in Manitoba, Saskatchewan and Alberta, thus requiring the farm laborers of the East to recruit and assist in harvesting the world's greatest bread basket.

The governments of the respective provinces state that forty thousand men will be required for this year's harvest. These will have to be principally recruited from Ontario, and the prosperity of Canada depends on securing labor promptly. The Canadian Pacific, on which company will fall practically the entire task of transporting the men to the West, is already making special arrangements for this year. Excursions from points in Ontario to Manitoba, Saskatchewan and Alberta will be run, and special trains operated, making the trip in about 36 hours and avoiding any change of cars or transfers. This will be a day shorter than any other route.

ACADIANS WON.

The Acadians again trimmed the Hermitage Club in a ball game at Tecumseh park last evening. The final score was 16 to 1 as near as the score could make it, and it was some game. Umpire Tacks Daly, of the Canadian League, officiated, and managed to survive the five innings. Waldeen pitched great ball for the winners.
