

VISITS BAHAMAS TO GIVE CANADA THE SECRETS OF U. S. ILLICIT RUM TRADE

Roy Gibbons, in Guise of "Bootlegger," Discovers How Tens of Thousands of Gallons of Liquor Are Smuggled Into "Dry America" While Washington Delays Action.

BULLETIN.
DETROIT, Mich., Nov. 15.—Roy A. Haynes, federal prohibition commissioner, came to Detroit today for a three-day conference with federal, state and city officials engaged in enforcing the liquor laws and to deliver a series of lectures designed to bring about closer co-operation of the public with these officials. The commissioner also is to address the National Methodist Conference now in session.

The illicit liquor traffic over the Canadian border is to receive much of Commissioner Haynes' attention here and he may visit Port Huron, where some officials claim the rum-runners have moved the greater part of their operations owing to vigilance of officers in the Detroit area.

Efforts of liquor agents here and in Canadian border cities, it was announced, are to be directed chiefly at the practice of smuggling into the United States liquor shipped to Canada for medicinal purposes. This traffic, it was said, now makes up about 75 per cent of the rum-running here, the liquor being unloaded from cars just across the border and immediately brought back by truck.

BY ROY GIBBONS.
[Written for The London Advertiser.] MIAMI, Fla., Nov. 15.—Delivery of boatloads of liquor from the Bahamas to the American shore is done every day without difficulty.

I actually was a witness to the delivery of several hundred cases of Bahamian liquor for American consumption. It was at a rum party in the cabin of the "Little Cricket," in port at Nassau, that Capt. Lansing invited me to make a trip with him. There were about fifteen at the party. The expedition was no trick. Vessels in the Bahamas are permitted to clear under a "transit," which permits them to visit any or all of the thousands of islands, islets, keys and reefs in the Bahamian group. Also they can clear in ballast, and once outside the three-mile limit, can be loaded up by small boats sailing under transits.

Six Persons Aboard.
The "Little Cricket" left Nassau for Settlement Point, a liquor station only 10 miles or so from Palm Beach. Aboard were six persons, beside myself. There

OF INTEREST TO WOMEN

A prominent physician says that by far the largest number of women's ailments are not surgical ones, that they are not caused by serious displacements or growths. Symptoms similar in character are often brought about by much simpler conditions. We therefore urge every woman who suffers from backache, headache, bearing-down pains, side ache, irregularities, nervous dependency, or weakness to give Lydia E. Pinkham's Vegetable Compound a trial. It acts as a natural restorative and often prevents more serious troubles.

GIVES 11 VALUABLE LILACS TO PARKS

Rare Specimens Sent by John Dunbar of Rochester, N. Y.

ST. THOMAS, Nov. 15.—Through the generosity of John Dunbar, assistant superintendent of parks in Rochester, one of the best known horticulturists in America, and through the public-spiritedness of Dr. Frank E. Bennett, president of the local horticultural society, St. Thomas, has been added the recipient of a priceless collection of rare seedling lilacs, consisting of eleven specimens in all.

Mr. Dunbar, who was the originator of each of the species, presented the collection to Dr. Bennett, who in turn delivered them to the city. The seedling bushes have been planted in Pinetree Park.

BRANT MAN WOUNDED BY HUNTER'S STRAY BULLET

May Lose Eye as Result of Shooting Accident.

[Special to The Advertiser.] BRANTFORD, Nov. 15.—Careless hunters who were out shooting along the Grand River, three or four miles north of Brantford, were responsible for the wounding of a man named Lou Jarvis. He was shot in the eye, and as a result he may lose the sight of it.

A court of revision to deal with the voters' lists, opened here today before Judge Hardy. There are several hundred eligible people in Brantford who have not registered. Only seven registered during the session of the court.

FIRE ON STEAMER UNDER CONTROL

BOSTON, Mass., Nov. 15.—The fire aboard the steamship San Francisco, en route from Marseilles to New York, reported by radio yesterday, has been brought under control and the vessel is proceeding to New York, wireless messages today said. The steamship Ramon de Larrinaga continues to stand by. The San Francisco was about one thousand miles southeast of New York when the fire was first reported.

DISSOLVES INJUNCTION AGAINST GRAIN BOARD

WINNIPEG, Man., Nov. 15.—Final judgment signed Monday by the court of appeal dissolves the injunction restraining the operation of the royal grain inquiry board and declares valid the order-in-council under which the board was appointed.

No alteration in the context of effect of the judgment delivered by the court on November 4 is made. Counsel for the grain firms who obtained the injunction are discussing the final judgment today to determine their future action, which may be some sources suggest, application for another injunction of restraint.

King Hopes Era of Peace For Weary World Will Soon Dawn

CALGARY, Alb., Nov. 15.—(By Canadian Press.)—Speaking at a luncheon given in his honor at noon today, Hon. W. L. Mackenzie King, the Liberal leader, referred to the world disarmament conference now under way at Washington as the outstanding event in the world's history.

He drew a parallel between present-day conditions and those of one hundred years ago, at the end of the Napoleonic wars.

Competitive armies led to slaughter, Mr. King declared, and he hoped the conference now under way would result in a new era of peace for the entire world.

GALT POULTRY SHOW DRAWS MANY EXHIBITS

[Special to The Advertiser.]

GALT, Nov. 15.—The 15th annual exhibition of the Galt Poultry and Pet Stock Association opened this evening in the agricultural hall, with about 1,500 birds on exhibition. The show which continues Wednesday and Thursday, has entries from all over the province, and is one of the best ever held here. Barred Rocks, Black Orpingtons, White Leghorns and Silk Campines are features of the show.

The exhibition of pigeons, about 300 entries, is the best ever seen here. W. Lightfoot of London, with 55 entries, was the big winner. The exhibit of rabbits is also a good one. The judges were: C. Robinson, Ottawa; J. W. Clark, Cambridge, and A. Martin and S. Hay, Galt.

Today was farmers' day at the "Galt-in-Galt" exposition and many exhibitors of the small animals to be made in the industrial establishments of the city. Tonight the buildings were crowded with many out-of-town visitors.

CHAMBER ELECTS TWELVE TO BOARD

Announces Membership in St. Thomas Now Over 400.

ST. THOMAS, Nov. 15.—When a board of twelve directors were elected from a slate of 24 on the final ballot Tuesday night by the local chamber of commerce, the first step towards permanent organization was taken. Of those elected Frank Harding headed the list, while the others were: J. H. Gould, R. M. Kildner, J. Bristow, George A. Oldrieve, Jack Dowler, George Davey, W. R. Colter, Rev. Perry S. Dobson, James Atherton, Charles Montgomery and W. F. L. Edwards.

The new board will meet either Wednesday night or Thursday morning to elect officers. The total membership Tuesday night was announced as 401, and more are expected.

The musicians of the city held their annual dance in the Shriners' Hall Tuesday night. A splendid program was enjoyed by a large gathering.

The boiler-makers of this city will give a dance on the night of Dec. 5, in the home of the G. W. V. A. in aid of the Barnardo Home. All the proceeds of the evening will be used for charitable purposes.

FIND TASK OF BUILDING DAM ONE OF DIFFICULTY

[Special to The Advertiser.]

ST. THOMAS, Nov. 15.—Although it was originally planned that the concrete dam being erected across Kettle Creek, about one mile from the city, would be completed by the middle of this month, it is certain now that the work will not be finished for at least two weeks. The engineers are quite confident that the dam will be completed by the end of the month, providing that fair weather prevails.

Operations have been carried on under great difficulties during the past few weeks, as the gravel wagons often sank to the hubs of the wheels in soft clay. Several times teams have slipped from the muddy embankment into the creek, but fortunately there were no casualties.

Water in the storage basin is rising rapidly, having now reached a head of 18 feet at the dam, showing a gain of four feet in two days.

TO URGE ELGIN GRANT BIG SUM FOR MEMORIAL

St. Thomas Citizens Expect County Will Follow City's Example.

HAVE \$100,000 ALREADY

ST. THOMAS, Nov. 15.—As the next step towards bringing into being the proposed new Elgin Memorial Hospital for which the citizens of St. Thomas voted \$100,000 on Monday, a request will be made to the Elgin County Council to grant a regular meeting of the year, next week, for a substantial grant. It is quite likely that the county will be asked to subscribe at least \$50,000.

The matter has already been brought before the Elgin Council on more than one occasion, but action was deferred until after the City of St. Thomas had taken some definite move towards the consummation of the plans.

At a recent meeting of the Memorial Hospital committee, Warden H. McKillop expressed the belief that the council would consider the proposition favorably, and at the time promised the meeting that he could give it his utmost support.

If the county fails to take action, however, or if the grant is not as large as expected, it is more than likely that an attempt will be made to raise sufficient funds by private subscriptions or by township grants. The Townships of Yarmouth and Southwold have already supported the plan.

The Elgin Memorial Hospital is to serve both the city and county, both as a hospital and a memorial. It was definitely decided before the by-law was submitted. It will be Elgin County's and St. Thomas' first big effort to commemorate the names and fame of the men who gave up their lives in the war.

The memorial hall in connection with the main entrance off Pearl street, will be approximately 22 feet by 40 feet, according to the preliminary plans and will be treated in a distinct manner from the rest of the building. The fallen heroes will be engraved on bronze tablets and placed on the walls and other tributes of this kind included. This hall will be used as a general reception or waiting-room for visitors.

The hospital will be constructed in the form of an "L," the larger wing containing the main entrance, running north of Amasa Wood Hospital along Pearl street, while the other wing will run east along the river. Accommodations will be provided for about 65 beds.

The building will consist of three floors and a basement, with the operating-rooms located on the third floor, above the main entrance.

Will Include Solarium.

An outstanding feature that is planned will be the solarium to extend the full length of the east end of the building. A sunroom has been greatly needed in connection with Amasa Wood Hospital for many years.

The most up-to-date diet kitchen facilities are to be installed, with electric elevator service, which will eliminate the difficulties of the past in getting nourishment of proper temperature to the patients.

The nurses' quarters will be located in the old hospital building.

Most of the private wards will undoubtedly be furnished by women's societies and organizations in the city and county. At least one dozen of such organizations have been raising funds for this purpose for more than two years, and some have more than \$1,000 on hand. Special appeals will also be directed to persons of means to dedicate wards, as has been done in many other places. It is believed that the majority of the private wards will be furnished by the city. The division of the space into private and public wards has not been definitely decided.

SAYS FARMERS WRONG IN ENTERING POLITICS

BLANTYRE, Nov. 15.—John King, U. F. O. candidate for North Huron, held a meeting in Memorial Hall this afternoon, assisted by President Barnaby and Clifton Proctor, the defeated U. F. O. candidate in the provincial election. Mr. King's theme was the corruption of the two old parties. Mr. Proctor gave a short address on the good qualities of the U. F. O.

George Spotten, Government candidate in North Huron, spoke on "The Fallacy of the U. F. O.," and claimed that the farmers had made a great mistake in entering politics. Mr. Barnaby closed the meeting, dealing at length with the U. F. O. policy.

The election promises to be one of the hottest ever held in this riding.

SOUND KIDNEYS SAVE SUFFERING

The hustle and bustle of modern life cause weak kidneys. Overwork and worry invariably create poison faster than the weakened kidneys can filter it from the blood. Pain in the back, nervousness, and lack of ambition are the first warnings that the kidneys are deranged, and for these conditions Warner's Safe Kidney and Liver Remedy should be used for beneficial action. For 50 years this dependable medicine has proved its beneficial for kidney disease and its oftentimes terrible effects. Here's an instance of its remarkable efficacy:

"I wish to say that your remedies have been used in our family for fifteen years. We are never without a bottle of Warner's Safe Kidney and Liver Remedy in our home, and it has saved many a doctor's bill. It is a wonderful medicine for all diseases of the kidneys and liver."—(Signed) Florence E. Smith, R. F. D. No. 1, Dunkirk, Ohio.

Warner's Safe Kidney and Liver Remedy contains no harmful ingredients and should be used when the kidneys need attention. Two sizes. At all druggists. Warner's Safe Remedies Co., Toronto, Ont.—Adv.

REPORT BIG YEAR AT ALMA COLLEGE

Principal Says Past 12 Months Were Most Successful.

ST. THOMAS, Nov. 15.—Alma College has had one of the most successful years of its history during the past twelve months, according to a report presented by the principal, Rev. Perry S. Dobson, at the annual meeting of the board Tuesday afternoon.

Rev. Mr. Dobson announced that the receipts of the year amounted to \$55,000, and that 255 students had been enrolled. With the numbers slightly increased already this season Mr. Dobson expected even better results in 1921-1922.

The gathering, made up of 25 men and women, was addressed briefly by Dr. F. B. Chown, general superintendent of the Methodist Church in Canada, who was chairman, and by Dr. J. W. Graham, secretary of education for the Methodist Church.

Dr. W. Sparling of the First Methodist Church of London was elected a member of the board to fill the vacancy caused by the death of Dr. Ross of Norwich. J. H. Sills was elected to replace K. W. McKillop of St. Thomas.

Immediately after the meeting the board inspected the buildings and was entertained by the students, who played at sports, including a game of basketball. Supper was served at 6 o'clock, and at 8:30 o'clock the students, members of the staff and members of the board.

WEST ELGIN CANDIDATE HAS EXTENSIVE PROGRAM

ST. THOMAS, Nov. 15.—William Tolmie of Rodney, Liberal candidate in West Elgin riding, which includes St. Thomas, is now in the midst of a strenuous campaign on the public platform.

On Tuesday night along with Major Tolmie of Windsor, he addressed a large meeting in Dutton. On Wednesday he will be supported by H. L. Barnes, a barrister in Windsor, at a meeting in West Lorne. On Thursday he speaks at Fergus along with A. Darrick and J. B. Davidson of St. Thomas. On Friday he will be supported at Rodney by J. M. McEvoy, a barrister of London.

Mr. Tolmie has conducted as well as an extensive canvass. He is backed by a particularly strong organization both in the city and in the county.
