Every device and machine-making for the perfection of the product—is used in the big factory. The bright and cheerful employes, all arrayed in spotlessly white uniforms laundered on the premises, speak volumes for the sanitary conditions under which they work. BOWLING AT BRAMPTON

bowling at Brampton HHHH BERLIN WINS OUT.

Five rinks of Berlin bowlers spent Donatoni Day in Brampton, where they engaged a like number of enthusiasts in the gentle art of bowling. In the morning the Brampton rinks took Berlin into camp, to the tune of 13 shots. In the afternoon, Berlin turned the tables by winning 24 up, thus winning by 11 shots for the day's play. The day was as hot as the Sahara desert, and the green keen as a razor. The Brampton men are a crowd of gentlemen, very hospitable and up-to-date. Secretary Thamborn is a jewel.
