suggestion made at the last meeting of the council of the munici-pality of South Saanich that the muni-

consider the matter and report to the council.

Road Superintendent Pim's report for the month of October showed that an expenditure of \$553.55 had been made on the various roads throughout the municipality as instructed by the council. By the expenditure of this amount the sum available for this amount the sum available for this mates made earlier in the year, is practically exhausted but very little money being now in hand for more work of this nature. Mr. Pim called attention to the need of some regulations governing the width of tires on wagons driving over the municipal roads. He had noticed quite a number of wagons with three inch tires used to convey very heavy loads.

roads. He had noticed quite a number of wagons with three inch three used to convey very heavy loads. It was decided to introduce an amendment to the Highways by-law to prevent too narrow tires being used. The road superintendent also called attention to needed repairs to the bridge at Sand Hill creek, and the culvert on the Saanich road near Swan lake. These repairs were ordered as well as one or two minor improvements.

Constable Russell submitted a report on the condition of the old house

W. J. Dowler, city clerk of Victoria, cipality's communication asking that steps be taken by the city to supply

tress the government. The antagonism originated in that of old and the concentration of President. The adjoung the Conservative and Progressive, both having the common interest of their court at heart.
