PRESTON SUMMER RESORT & MINERAL SPRINGS

PRESTON. one of the prettiest towns in Western Caunda, with its heautiful, cool, shady walks and drives, its lovely valleys, with the charming little River Speed running through it until it reaches the Grand River, has long been noted for its celebrated mineral springs. The remarkable curative qualities of the baths in the most obstinate cases of rheumatism, kidney and liver complaints, neuralgis, skin diseases of every description, as well as its recuperative powers to the business man needing quiet and rest after the year's labors, can be testified by hundreds of our prominent citizens. The hetel, situated on a slight eminence in the quiet part of the town, with cool, lerraced gardens, croquet lawns, etc., is well adapted for the invalid orseeker of quiet summer repose and rest. The accommodations are most comfortable, with every modern convenience, the table first-class; billiard table and livery stable in connection; the rates lower than any other summer record in the Dominion. Its close proximity to Toronto, with lobe rullway rates, make it the most designable spot in Oatario for our citizens to spend their summer yacation. Preston can be reuched by G. W. It. to Preston Station, by Credit Valley to Gall, within three miles, or by G. T. R. to Blair, one and a half miles. Tickets for Springe can be bought at reduced rates.
