Betting on the Derby.

Orme now stands at even money for the Two Thousand Guineas, Goldfinch second favorite at 5 to 1, and at 2 to 1 for the Derby, La Fleche next in definand at 6 to 1.

There has been scarcely any Two thousand or Derby betting during the last week, but Orme and La Fleche both continue very firm. On paper the Newmarkst race is a positive certainty for Orme, and like most of the Kingsolere horses he has gone on well during the last few months. I do not believe that Goldfinch, who is second favorite for the Two Thousand, will start for that race if Orme wins his trial easily.—Truth,
