

Lost His Hair, Beard and Mustache

Terrible Plight of a Pennsylvania Man Reported by a Prominent Citizen :

"About two years ago my hair, beard, and mustache started to come out in spots. These spots were entirely bare of hair."

Seeing PARISIAN SAGE advertised, I purchased four bottles and after using two of the bottles, the hair came in until now I have as good a head of hair as I had before this trouble started.

I can truthfully recommend this preparation to any one for what it is recommended for. Sam Galder, Jamison City, Col. Co., Oct. 11th, 1911.

Please bear in mind that PARISIAN SAGE is not guaranteed to grow hair on bald heads.

In Mr. Galder's case the hair root was not dead and there is no good reason why PARISIAN SAGE should not do just

what he writes it did. "The next time Mr. Galder came into my store after purchasing the PARISIAN SAGE," writes the druggist who sold him, "his appearance was so changed I did not know him."

PARISIAN SAGE is without doubt the most efficient hair grower, beautifier and dandruff cure in the world, and people who are wasting time with ordinary commercial tonics should wake up.

PARISIAN SAGE will banish dandruff, stop falling hair and itching scalp; will put life, lustre and beauty into faded hair, or money back. It is a most delightful and refreshing tonic for men, women and children. Large bottle 50 cents at T. B. Taylor & Son's, and druggists the country over.

Death From Hen Scratch.

Thamesville, May 8.—John Bert died on Wednesday of blood poisoning. About two weeks ago Mr. Bert was scratched by a fowl. The mark was hardly perceptible, but blood poisoning set in and he became very ill, suffering great pain the past week. Mr. Bert was well and favorably known in this vicinity for a great many years. He resided in Howard, where, in addition to farming, he followed his trade as carpenter. After the death of his wife, about two years ago, he moved to town and has since lived with his son. He leaves three daughters and one son, Mrs. Martin, of Detroit; Mrs. Henry Secord and Mrs. Geo. Barber, of Thamesville, and William Bert, Thamesville.

Duke's Private Income.

There are only a few wealthier men in the Dominion at the present time than his Royal Highness, the new Governor-General. In addition to the salary Canada will pay him the Duke enjoys a yearly income of \$126,000, which was settled on him for life by the British Parliament because of his being one of the younger sons of the late Queen Victoria. Nor does this exhaust the amount of his income from official sources, for he also draws some \$35,000 annually as Field Marshall in the British Army.

Besides his revenue from official sources, the Duke of Connaught enjoys the returns from his share of the estate left by his mother, Queen Victoria. That the whole estate was very large is common belief, rumor estimating the Duke's share at varying amounts from five to fifteen million dollars. It is said in well-informed circles that his total income is greater than that of King George.

Fatal Accident to Farmer.

Paisley, May 9.—Mr. Fred Lunow, of Bruce Township, was fatally injured while rolling a field. His team became unmanageable and ran away, throwing him from the roller. It passed partially over him, breaking his leg and injuring him in other ways. He was taken to his home in Underwood, but died within an hour. Mr. Lunow came from Prussia about 45 years ago. He was 69 years of age.

Household Hints.

Don't worry, it's only mislaid. You'll feel better when it's all over. Do it now, and be done with it. Remember you helped make the dirt. What's the use of storing away a lot of rubbish? Chuck it. Boiled water and a tea biscuit sure is a light diet. It may not be necessary, but it is customary. Don't apologize, everybody knows just what it means. No use kicking, it's got to be did.

EXTERNALLY OR INTERNALLY, IT IS GOOD. — When applied externally by brisk rubbing, Dr. Thomas' Electric Oil opens the pores and penetrates the tissue as few liniments do, touching the seat of the trouble and immediately affording relief. Administered internally it will still the irritation in the throat which induces coughing and will cure affections of the bronchial tubes and respiratory organs. Try it and be convinced. In putting the ban on the roller towel; the San Francisco health authorities have put an end to the endless.

WASTED TIME AND MONEY

BEFORE THEY FOUND GIN PILLS

GALINETA, ONT. "My husband used Gin Pills for Backache and Kidney Disease. The pain in his back was dreadful and the kidneys failed to do their work properly. As he became worse, we found it necessary to begin treatment and unfortunately wasted time and money on remedies that were little or no good. After taking one dose of GIN PILLS, he found them to be exactly what he needed, and after taking two boxes of GIN PILLS, was completely cured. We heartily recommend GIN PILLS, at every opportunity to our friends and relatives." Mrs. JAMES B. MILFORD. Write us, mentioning this paper and we will send you a sample box free. Then, if you cannot get the regular size boxes at your dealer's we will supply you at the regular retail price—50c. a box, 6 for \$2.50—and money promptly refunded if GIN PILLS do not give satisfaction. Hard on the Other One.

One hot summer day a Kentucky beau stopped at a florist's to order a box of flowers to send to his lady love. At the same time he also purchased a design for the funeral of a friend. On the card for his girl's box he wrote, "Hoping these will help you to bear the heat." The other card bore the one word, "Sympathy." Very soon the girl telephoned, "I thank you so much for the flowers, but why did you write 'sympathy' on the card? There was no answer from the other card."

Have you tried Holloway's Corn Cure? It has no equal for removing these excrescences as many have testified who have tried it.

A Boston man was fined \$5 for digging in his own lawn on Sunday. Can not a man look for a worm on Sunday to feed a poor, hungry fish with?

"What is a counter-irritant?" asked Mrs. Smithers. "A counter-irritant," replied Smithers, "is a woman who makes the shopman pull down everything from the shelves for two hours, and then buys a pennyworth of hairpins."

Two men were hotly discussing the merits of a book. Finally one of them, himself an author, said to the other: "No, John, you can't appreciate it. You never wrote a book yourself." "No," retorted John, "and I never laid an egg, but I'm a better judge of an omelet than any hen in the state."

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her system, soon loses her personal magnetism. Her general health suffers and she loses her good looks, her amiability and womanly charm. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

A broom will last longer if it is dipped in cold water after it has been used and then rested on two horizontal supports until it is dry. Two nails driven into a wall will do. As all brooms have a tendency to grow shorter on one side than on the other let the shorter side hang down. The weight of the dampness will help to keep the broom in proper shape.

A barn situated on the farm of Emil Shelburg, near Simcoe, was burnt on Saturday night. Edward Belcher was the only man around, and on trying to get some of the contents out he fell through a trap door into the basement and was overcome by the smoke and burnt so badly that he died.
