House—Dowding

A quiet but pretty wedding took place Wednesday evening, June 26th, at 7:30 at the home of the bride's brother, Mr. Russell Dowding, near Kerwood, when his eldest sister, Harriet Amelia (Millie), was united in holy wedlock to Alfred J. House, Port Dalhousie, Ont. The bride looked charming in white crepe de chene trimmed with embroidery, pearls and satin ribbons, with a corsage bouquet of fern and orange blossoms, and entered the drawing room on the arm of her brother, Russell, to the strains of the wedding march played by Mrs. Wm. J. Dowding. The happy couple were attended by little Winnie and Irene Dowding, dressed in white embroidery, who carried a basket of orange blossoms in which the ring was concealed. The ceremony was performed by Rev. A. I. Brown, pastor of the bride. After congratulations and the signing of the register, all sat down to a sumptuous wedding dinner. The beautiful array of presents evidenced the high esteem in which the bride is held. The happy couple left for points east, amidst showers of roses and good wishes, the bride travelling in a navy blue taffeta suit with white hat. They will be at home to their friends in Port Dalhousie, Ont.

before dying. She was the widow of Tom Paddy, a prominent hotelkeeper in Kent County years ago. She leaves no family.

Carry Your Papers

"Carry your papers, because your papers at present carry weight," is undoubtedly good advice and it comes from those in authority who are working in connection with the Military Service Act.

This does not mean that "Bill" Blank should "carry papers" because he is in Class One under the Act, but it does mean that every mother's son in Canada should be on the alert and be ready with his lamp trimmed and burning lest the Dominion Police catch him "napping" For boys not yet 19 years of age, but nearing that milestone, and who might be reasonably mistaken for that age these should also carry papers. The man who is single, is a widower, etc., and who might perchance be mistaken for a subject in the Class One age, and he, too, should be armed with the document—birth certificate—because the onus of proof always rests with the prisoner.

HOW IS YOUR APPETITE?

Loss of appetite during the summer months is a common trouble, and indicates that the digestive system is out of order. Lacking a healthy appetite many people—especially women—go too long without food, or eat sparingly because food seems to distress them, and it is no wonder that they complain that they are constantly tired and unable to stand the hot weather. This simply means that the digestive system is not doing its proper work, and that the nutriment that should come from the food is not being distributed to the various organs of the body. In other words the blood is growing thin and watery.

You need a summer tonic, and in all the realm of medicine there is no tonic so equal Dr. Williams' Pink Pills. Take a short treatment with these pills now and notice how promptly your appetite returns and your power to digest food improves. Your food will then do you good, your strength will return and you will no longer complain that the hot weather tires you out.

The best time to begin taking Dr. Williams' Pink Pills is the moment you feel out of sorts. The sooner you do so the sooner you will regain your old time energy. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Blenheim Woman Fatally Burned In Gasoline Explosion

BLENHAIM, July 6.—Mrs. Thos. McCollum died tonight from burns she sustained this afternoon when cleaning some clothes with gasoline. She was expecting some company this evening, and was busy with the gasoline about 3 o'clock, when the explosion suddenly occurred. Just what happened is unknown as Mrs. McCollum was only able to speak a few words after being found. She was first seen by a neighbor, Mrs. Griffin, who saw her rush out of the house aflame. The alarm was at once given and neighbors rushed to her assistance, but the fire had almost completely stripped off her clothing and her flesh was roasted in a frightful manner, her hair being completely burned off. The fire brigade was called out and the house was soon cleared of its contents, except some clothing that was burned. The accident appeared to have happened upstairs and it is thought she had a lighted lamp in the room. As the woman ran through the house, burning pieces of clothing dropping off set fire to other parts. The fire was put out without much damage to the building.

Mrs. McCollum lived for six hours.

Obituary

The funeral of the late Mrs. Janet McKenzie, of the 4th line, N. E. R., Adelaide, took place on Tuesday, June 25th, at Arkona Cemetery. The officiating clergyman was Rev. G. THE WESTERN FAIR

London's Popular Exhibition

This Popular Exhibition will be held this year from Sept. 6th to 14th. Queen's Park, where the Exhibition is held, has been occupied since last year by the Military Authorities. They have recently vacated the buildings and grounds, going to Carling Heights. This leaves a lot of work to do to prepare the place for the Exhibition. Large gangs of men are at work and more will be secured as the work goes on. An addition will be built to the sheep pens in order to accommodate the large entry expected. The large cattle barn will have a new roof put on, making it comfortable and dry for the cattle exhibited. It is expected there will be a large entry of live stock of all kinds this year as the Prize List has had such a substantial increase. All information supplied by the Secretary, A. M. Hunt, London, Ont.
