

LE AND WEAK
DESPONDENT PEOPLE
Their Condition to Weak
tery Blood—How to Regain
Strength

ery women's health is peculiarly de-
pendent upon the condition of her blood,
too many women suffer with head-
aches, pains in the back, poor appetite,
indigestion, palpitation of the heart,
constant feeling of weariness, shortness
of breath and nervousness. Of
all these symptoms may not be
in any particular case. They are
a warning that the blood is out
of order, and that it is thin and watery,
if you note any of these symptoms
in your own case, you should lose no
time in taking the proper steps to enrich
and purify the blood. Anemia—poverty
of blood—is a most insidious disease
allowed to run will end in a com-
plete breakdown of the system. Dr.
Williams' Pink Pills are, beyond doubt,
the greatest blood-making tonic offered
to-day. For more than a
century they have been the
only of hundreds of thousands of
women in all parts of the world. No
medicine has ever achieved such
a wide popularity, and the reason is
that his medicine does what is claimed
for it: it enriches and purifies the blood,
bringing new strength to every organ
and new nerve in the body. In this
Dr. Williams' Pink Pills bring new
life to weak despondent people,
and the many who speak highly of
them, is Mrs. Louis D. Larch,
of Ontario, who says:—"It would be
impossible for me to recommend Dr.
Williams' Pink Pills too highly. Some
ago I was very thin and pale; I
felt many of the symptoms of anemia—
I always felt tired, depressed and
I had tried several medicines.
Then I did not seem to help me. Then
I read of the advice of a friend, I began
to use Dr. Williams' Pink Pills. Before
I used half a dozen boxes I was
feeling like a new person and I
gained nine pounds in weight. I
am taking the pills until I had
taken a dozen boxes, and from that time
I always enjoyed the best of health.
I write this letter in hope that
other women in need as I was, will
be benefited as I have been."

a large one this year.

A COATING OF OIL was placed on Main
street Friday and Saturday.

DR. NEWELL moved into his new office
one door south of the old one, on Satur-
day morning.

THE church attendance on Sunday last
was small, owing no doubt to the intense
heat—92 in the shade.

A LAWN TENNIS club would be a val-
uable addition to the recreation attrac-
tions of the town.

SOME PEOPLE neglected church service
on Sunday on account of the heat. Ninety-
two in the shade was a little sultry for
May.

KINDLY keep Tuesday, June 24th open
for the Monster Strawberry Festival and
Garden Party to be given by the Wat-
ford and Zion Methodist churches com-
bined.

REV. E. H. SAVERS will preach in the
Methodist church next Sunday morning

THE annual meeting of the Canadian
Press Association, which was to be held
in the King Edward Hotel, Toronto,
this week, has been called off until
autumn on account of the strike.

THE EDITOR of the Alvinston Free
Press has only been married a few weeks
and is already advertising for a girl.
He evidently knows the secret of success-
ful publicity in letting your wants be
known early in the game.

ADVERTISING LAWN SOCIALS is the
smallest item of expense. The best pro-
gram procurable will not draw a crowd
unless it is widely advertised. See that
your garden party is announced in these
columns. The cost is trifling.

PRESENT unrest all over Canada is
rather disconcerting and difficult to
properly label. It would seem as if the
whole country has gone money mad
and that there is no relief from a ever-
widening circle of demands and counter-
demands for more money that leave the
people no better off, whatever their in-
come, than they used to be.

MAY this year displayed more heat by
six degrees than May 1918, as 94 was the
maximum on the 31st of last month, while
88 was the highest on May 31, 1918. On
May 3 this year, the lowest, 53 degrees,
was registered, while on May 11 last year
28 was the lowest mark. Nearly twice
the amount of rain fell in May this year,
measuring 5.05 inches, as compared with
3.74 inches in May 1918.

THERE will be no excursions this year
to the Ontario A. C. in Guelph except by
motor. Dr. Creelman, however looks
forward to the resumption of the yearly
farmer's outings to the college, which
were once very successful. As soon as
special rates can be secured from the
railway, he says, the Summer excursions
will start again.

A LAW recently passed by the Ontario
Legislature compels the removal of all
cut-outs from autos and motorcyclists
must muffle their machines so that people
will no longer be tormented by the un-
earthly noises that have made life mis-
erable for years. Chief Elliot warns all
motorists accordingly to take the neces-
sary steps to comply with the law, failing
which, or the discovery that cut-outs are
being used on autos or cycles, those who
do so may expect to make their bow be-
fore the magistrate.

THE funeral of the late Joseph S.
Williams, whose death was announced
in last issue, was held on Friday after-
noon at 2.30 to the Watford cemetery
and was largely attended. Service was
held at the house by Rev. T. DeCourcy
Raynor, pastor of the Congregational
church, assisted by Revs. Savers and
Tiffin. The pallbearers were John King-
ston, John Williamson, John Bryce, J.
F. Elliott, W. D. Cameron and David
Roche. Besides his immediate family
Mr. Williams is survived by two brothers,
Mr. John S. Williams of Toronto, Mr.
E. F. Williams of Vancouver, and one
sister, Mrs. John Baker of Watford.

On Sunday morning last at the Con-
gregational church, Watford, the regular
monthly Sacrament service was held,
when five new members were received
into the church, including the heads of
two families. The pastor conducted the
impressive reception ceremony and ex-
tended the right hand of fellowship to
the new members. The outlook for the
church is exceedingly encouraging. Ow-
ing to the extreme heat the pastor an-
nounced at each service that the men
were at liberty to remove their coats to
enable them to worship with greater com-
fort. This privilege will be continued
throughout the summer months, so the
men will have no excuse for staying away
from the services.

THE coming of the young Prince of
Wales to Canada in the summer will not
be a visit merely of the heir to the throne
but the visit of an exceedingly popular
officer of the British army in France.
The Prince came into contact often with
the Canadian forces at the front and will
seem like an old friend to many of the
officers and men.

THREE more Watford boys returned
from overseas during the week, Roy J.
Lawrence, H. Murphy and Vern John-
ston. The first two enlisted in the 149
batt. in 1915, the last named going over
with a Central Ontario regiment. As no
notification of their arrival was given
but few were at the station to meet them,
but their return home is nevertheless
warmly welcomed by all. They have
done their part.

CITIZENS are warned to look well after
their small change, especially half-dollar
pieces. Bad silver is being circulated in
Western Ontario and it is only by the
closest scrutiny that the bad ones can be
detected. The work on the half-dollar
piece is almost perfect. The only detec-
tion that can be discovered is in the mil-
ling around the edge of the coin. It is
not as perfect as it is on the Govern-
ment's money. The die work on the
head and wreath of maple leaves is con-
sidered an absolute replica of the good
money. Where the bad money origina-
ted is a mystery.

REV. and Mrs. T. DeCourcy Raynor,
Miss Jean McCormick and Miss Alma
Morris, are in Hamilton, attending the
annual meetings of the Congregational
Union of Canada. They return on Sat-
urday. Rev. Mr. Raynor is the editor of
the Young People's Department of "The
Canadian Congregationalist," and a mem-
ber of the Young People's Executive of
the Congregational Union. He is to de-
liver an address on "The Junior Church"
suggesting how to interest the children
in regular church attendance. Rev. Mr.
Raynor is bringing his family to Wat-
ford on Saturday.

CHILDREN'S Day and Flower Sunday
will be observed in the Watford Con-
gregational church next Sunday, when the
pastor, the Rev. T. DeCourcy Raynor,
will conduct special services both morn-
ing and evening. At the morning ser-
vice he will give a sermon in chalk on
"The Lilies, consider how they grow."
At the evening service his topic will be
"Buying a Miracle," when he will relate
the story of a child who tried to "buy
a Miracle" for a sick brother and the happy
result that followed. You are cordially
invited to attend each of these services.

THE REGULAR MEETING of Tecumseh
Chapter, I.O.O.F., was held Tuesday
afternoon at the home of Mrs. S. Staple-
ford, with the Vice-Regent, Mrs. Fitz-
gerald in the chair. Ten members
answered the roll call. The four groups
for work which the executive had divi-
ded the Chapter into were read, with the
following convenors: Mrs. T. G. Mitch-
ell, Mrs. C. Howden, Mrs. Frennis, Mrs.
Swift. The question of a proper national
flower for Canada was discussed and a
letter Mr. Steer had received on the
matter was read. The singing of the
national anthem and the serving of
luncheon brought a very pleasant meet-
ing to a close.

THE chief topic of conversation in the
town this week is the disappearance of
Capt. Mansell James. That a noble
young man who did such heroic deeds
and made such an enviable reputation
during the war should come to such an
untimely end is deeply deplored by all.

Samuel Leach of Moss captured a
beaver in a ditch on his farm, lot 26,

is supposed to have escaped from Spring-
bank Park at London and made its way
down the Thames and up a creek to the
ditch.

Miss Helen Smith, of Toronto Instru-
ctive, gave a very interesting and in-
structive address to young women and girls,
on Wednesday evening in the school-
room of the Presbyterian church. Her
subject was "The Church's work as a
Vocation." Light refreshments were
served later.

THERE will be no service in the morn-
ing at the Presbyterian church on Sab-
bath next, Rev. Mr. Forster, having gone
to Hamilton to attend the General
Assembly to which he is a commissioner.
Sabbath school and Bible class will be
held however at 9.45 a. m. In the even-
ing, at 7 o'clock, service will be held as
usual, Rev. Mr. Savers presiding and
Mrs. E. H. McL. Smith, of the W. M. S.
General Council, will present the "For-
ward Movement" as planned by the
Women's Society.

ELSEWHERE in this issue will be
found a by-law to be voted on by the
ratepayers of Watford on the last day
of June. Every person entitled to vote on
money by-laws should read carefully its
contents. It proposes to borrow \$50,000
at 3 1/2 per cent for thirty years for the
purpose of constructing a water system
for the village, including wells, pump
house, stand pipe and distributing system.
The amount payable necessary to meet
the debentures and interest will be
\$3,577.88. The system is chiefly for
fire protection and will cover the entire
town. We must confess that at the present
time we cannot furnish much informa-
tion as to the ground to be covered by
the system or the revenue to be derived
therefrom. However it is a matter that
should be carefully considered by all.
Communications on the matter will be
gladly received for publication in the
Guide-Advocate, and those who are post-
ed on the matter should express their
views for the benefit of the electors.
With this object in view we will suspend
our usual rule of insisting upon articles
being signed by the writer, and you can
use a nom de plume if you wish, but
your name must accompany the article
as a guarantee of good faith. That bet-
ter fire protection for the village is most
desirable and necessary all admit.
The by-law does not furnish much infor-
mation except as to cost. Let us hear
your opinion on the matter.

WATFORD ACE STILL MISSING

Capt. Mansell R. James' Mysterious
Disappearance Unexplained

LOST IN FLIGHT BETWEEN BOSTON
AND ATLANTIC CITY

Extensive Search Fails to Give Any
Trace of Him. Not Seen Since
Friday Last.

The entire population of this district,
especially those in town, have been
spending some very anxious days since
Sunday last when it became known
that Capt. Mansell R. James, one
of the town's deservedly popular
young men, had been lost trace
of, together with the Sopwith Camel
scout plane in which he was returning to
Atlantic City from Boston, having made
the going trip in record time. About
everything James is known regarding the
matter will be found in the following
despatches.

Toronto, June 1.—No word has yet
been received of the fate of Captain
Mansell R. James, of Watford, Ontario,
formerly of the Royal Air Force, who
has been missing since Wednesday
when he attempted a flight from Atlantic
City to Boston and return in competition
for the Pulitzer \$5,000 Aviation Trophy.
With his cousin, Lieut. Allan L. Clark,
of 309 Keele street, New Toronto, also a for-
mer R. A. F. pilot, he was an entrant in
the competition for the big prize.

In reply to a telegram from the Pulitzer
Company, New York, City information
was received that Capt. James is still
missing, while at Lieut. Clark's home it
was stated that similar information had
been received from him yesterday after-
noon over long distance telephone.

Captain James is reported to have
made an excellent flight from Atlantic
City to Boston on Wednesday, using a
Sopwith Camel Scout plane, but on the
return trip, mistaking the Boston and
Albany Railroad for the New Haven, he
landed Wednesday night not far from
Pittsfield, Mass., where he stayed.
About 11 o'clock Friday he started again
from Pittsfield for Atlantic City, intend-
ing it was understood, to alight at Havel-
hurst or Mitchell Field, Hampstead, to
refuel. He failed to arrive at either field.
Since then nothing has been heard of
him.

Lieut. Clark intended to start on
Saturday for Cleveland, providing Capt.
James was ready to accompany him, and
to continue from the city to Detroit and
back to Toronto. He is at present at
Atlantic City anxiously awaiting word as
to his cousin's whereabouts. Both young
men are cousins of T. C. Robinette, K.C.,
the well-known Toronto barrister.

Capt. James is an experienced pilot,
having served with the Royal Air Force
on the Italian front. He has nine enemy
planes to his credit. He is 25 years old
and is the holder of a Distinguished
Flying Cross.

Mineola, N. Y. June 2.—Colonel Archie
Miller, commander of Hazelhurst Field,
announced to-night that he would start
to-morrow morning with two other
aviators in an aerial search for Capt.
Mansell R. James, Canadian "ace" who
disappeared last Thursday in a Sop-
with biplane and is believed to be lost in
the wilds somewhere between Lee, Mass.,
and Mineola, N. Y.

Col. Miller said he was making the
trip at the request of the British Military
Mission, which called in him to-day to
help find the missing aviator.

It is expected that the search will
centre first over the dense woods near
West Cornwall, Conn. P. G. Grant, of
Port Washington, N. Y., reported to the
Aero Club of America to-day that he had
heard an airplane motor running for a
moment, apparently in the woods near
West Cornwall, and it is thought possible
that Capt. James fell or made a forced
landing there and was injured.

Col. Miller said that the search would
be extended to the entire territory
between Lee and Mineola, however, if
necessary.

Capt. James made the 350-mile trip from
Atlantic City to Boston in four hours and
seven minutes, made one stop at Mineola
for fuel. On his way back he alighted at
Lee, Mass., and rising again there started
for Mineola.

Atlantic City, N. J., June 3.—Aero
officials here are completely mystified
over the disappearance of Capt. Mansell
R. James, the Canadian ace. Although
they have made inquiry along the route
that he would have taken in a flight to
the air port here, and enlisted the aid
of the city and rural police supplementing
connection with the annual convention
here throughout the month of May,
Among the awards, which will be made
June 5, were: Boston Globe trophy, Capt.
Mansell R. James, R. F. C., first, \$1,000.
Longest flights, Capt. Mansell R.
James, R. F. C., 340 miles, Pan-American
gold medal.

Pulitzer trophy, valued at \$5,000, Capt.
M. R. James, Atlantic City to Boston,
elapsed time, four hours, one stop of 40
minutes at Mitchell Field, L. I.
