HEALTH where 'tis SOUGHT!

Holloway's Pills.

CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE.

Extract of a Letter from Mr. Matthew Harvey, of Chapel Hill, Ayrshire, Scotland, dated the 15th of January, 1850:

SIR—Your valuable Pills have been the means, with God's blessing, of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent doctors, who after doing what they could for me, stated that they considered my case as hopeless. I was a last resource, got a Box of your Pills, which soon gave relief and by persevering in their use for some weeks, together with rubbing night and morning your Ointment over my chest and stomach, and right side, I have by their means alone got completely cured, and in the enjoyment of myself and every body who knows me.

(Signed) **MATTHEW HARVEY**

CURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. Smith, of No. 5, Pitt Street, Sydney, dated 10th of November 1849:

To Professor Holloway—SIR—I beg to inform you that I have nearly five years' hardly known what it was to have a day's health suffering from extreme weakness and debility, with constant nervous headaches, giddiness, and sickness of the stomach, together with a great depression of spirits, I used to think that nothing could benefit me as I had been to many medical men some of whom after doing all that was in their power informed me that they considered that I had some spinal complaint, and the result of their treatment was a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured, however I soon found my sufferings by taking them, and so I went on persevering in their use for six months, when I am happy to say they effected a perfect cure.

(Signed) **WILLIAM SMITH,**

(frequently called EDWARD)

CURE OF ASTHMA, OF TWENTY YEARS' STANDING.

Extract of a Letter from Mr. J. K. Heydon, 78 King Street, Sydney, dated 10th of November 1849:

To Professor Holloway—SIR—I have the pleasure to inform you that many extraordinary cures of Asthma have been effected here by means of your Pills. One is that of a Lady residing near the "Roxburgh," who after having for twenty years been unable to make the slightest exertion suffering very fearfully from shortness of breath, coughing, and spitting, but is now, to use her own expression, able to run up to the top of Cabot mountain. Another case is that of Mr. Eaton, Tailor, Hutchinson's Buildings, Clarence Street, who was so dreadfully bad that he was confined entirely to his bed-room for six months, prior to his coming to your Pills, and attended regularly by his medical man, who pronounced him to be in a dying state, yet he, likewise, to my knowledge, has been restored to perfect health by the use of your Pills, and rubbing your Ointment night and morning into his chest.

ASTONISHING CURE OF THE EARL OF ALBOROUGH.

By this Miraculous Medicine! after every other means had failed!

A Copy of a Letter from the Earl of Alborough, dated 11th Messina, Leghorn, 21st Feb. 1845:

To Professor Holloway—SIR—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent had not been able to effect. I wish to have another Box and a Pot of Ointment in case any of my family should ever require either.

I remain, with much respect,

Your most obliged and most devoted servant,

CURES FOR THE UNCURED

Holloway's Ointment.

AN EXTRAORDINARY CURE OF SCROFULA OR KING'S EVIL.

Extract of a Letter from Mr. J. H. Hilday, 209, High Street, Cheltenham dated the 22nd of January, 1850:

To Professor Holloway—SIR—My eldest son, when about three years of age, was afflicted with a glandular swelling in the neck, which was a short time broke out into Ulcer. An eminent medical man pronounced it as a very bad case of Scrofula, and prescribed for a considerable time without effect. The disease then for four years went on gradually increasing in virulence, when besides the ulcer in the neck, another formed below the left knee, and a third under the eye, besides seven others on the left arm with a tumour between the eyes, which was expected to break. During the whole of the time my suffering boy had received the constant advice of the most celebrated medical Gentlemen at Cheltenham, besides being for several months at the General Hospital, where one of the surgeons said, that he would amputate the left arm, but that the blood was so impure, that if that limb were taken off it would be then even impossible to subdue the disease. In this desperate state I determined to give your Pills and Ointment a trial, and after two months, perseverance in their use, the tumour gradually began to disappear, and the discharge from all the ulcers perceptibly decreased; and at the expiration of eight months they were perfectly healed and the boy thoroughly restored to the blessings of health, to the astonishment of a large circle of acquaintances, who could testify to the truth of this miraculous case. Three years have now elapsed without any return of the malady, and this boy is now as healthy as heart can wish. Under these circumstances I consider that I should be truly grateful were I not to make you acquainted with this wonderful cure effected by your medicines after every other means had failed.

(Signed) **J. H. HILDAY.**

CURE OF ACUTE RHEUMATISM OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. John Pitt, Dudley Street, Sydney, dated 10th Jan. 1850:

To Professor Holloway—SIR—It is with the greatest pleasure that I write to thank you for the benefit I have received from your Pills and Ointment, which have completely cured me of the Rheumatism, under which I suffered for this last four years, at times I was so bad as hardly to be able to walk. I had tried every kind of Medicine that was recommended without receiving any benefit. At last I thought I would give your medicines a trial, and purchased from Mr. Hollis, Chemist, of this Town, two Boxes of Pills, and two of Ointment, and in three weeks, through them and the blessing of God, I was restored to health and am now as well able to walk as ever I was in my life. I am well &c. in this parish, having been sixty-five years of age, and I have been in the service of the 24th Regiment of Foot.

(Signed) **JOHN PITT.**

CURE OF A BAD LEG OF SIXTY YEARS' STANDING.

Mr. Barker, of No. 5, Graham's Place, Drypool, had had his leg from the thigh of eighteen years, and upwards of eighty, and although for many years he had sought the first advice in the country, nothing was found to cure them. He very often suffered most excruciating pain for long periods together, which incapacitated him from attending to his business. He had given up all hopes of getting a cure, when at last he was persuaded to try Holloway's Pills and Ointment, which he did, and however wonderful it may appear, his leg was well, he has become in health so hale and hearty as now to be more active than most men of fifty.

N.B.—The truth of this extraordinary statement can be vouched for by Mr. J. C. Reinhard, 224 Market Place Hull, February 20th, 1850.

CURE OF A DESPERATE CASE OF KING'S EVIL OF SIX YEARS' STANDING.

One of the most eminent Surgeons in Lima (the Capital of Peru) had a child covered with King's Evil for more than 6 years; in vain he exhausted all his art in his endeavours to effect a cure. Not succeeding, he consulted among his brethren, the most celebrated medical practitioners of the City, but nothing was found to do the child service. When he was persuaded by Mr. Joseph P. Hagne the English Chemist and Druggist, residing at No. 74, Calle de Palacio, to try Holloway's Pills and Ointment, which was done, and after using six large Pots of the Ointment, with a proportion of the Pills, the child was radically cured, to the surprise of the whole medical profession. The name of the parent, from motives of delicacy, is withheld.

The Pills should be used conjointly with the Ointment in most of the following cases—

Bad Legs Bad Breasts Burns Bunions

Piles of Muscles, and Sand Piles Fistulas

Cancer Gout Glandular Swellings Lumbago

Rheumatism Scalds Sores nipples

Chieft-foot Chilblains Chapped hands

Corns (soft), Cancer, Contracted & Stiff joints
