For the rapid Cure of  
COUGHS, COLDS, HOARSENESS,  
BRONCHITIS, WHOOPING-COUGH,  
CROUP, ASTHMA, AND  
CONSUMPTION.

We invite the attention of the public to the  
Certificates appended below, and bespeak for  
them that candid consideration which their honest  
frankness deserves.

Jackson C. H., Jackson City, O., 29th Nov. '52  
Dr. J. C. AYER—Sir: The Cherry Pectoral  
is much inquired after. Several of our best Phy-  
sicians have used it, three of them in their own  
case, and always with the happiest effects. The  
numerous patent medicines I always before them.  
I have used it in regard to every new remedy;  
and it is only after undoubted evidence of value  
in any article, that any thing like a general con-  
fidence can be excited.  
The unrivalled excellence of this combination  
of agents (in the Cherry Pectoral) proved be-  
yond all doubt by repeated trial and their own ob-  
servation, has compelled medical men to proclaim  
abroad its usefulness. Its beyond all doubt the  
best general remedy we have for Pulmonary Af-  
fections of this climate, at the same time sedative  
and expectorant—a rare combination of prop-  
erties.  
In the hope that it will prove its own reward,  
I subscribe myself,  
**JAS. H. C. MILLER, M. D.**

is much used in this vicinity, although not

—"A C.," Bart., invented and advised the use of the  
MEDICATED PUR CHEST

**PROTECTOR.**  
To all persons of all ages and conditions, as  
a certain and a safe shield against those  
feetful diseases, Consumption, Bronchitis,  
Asthma, Coughs, Colds, and other afflic-  
tions of the Lungs, which arise from the ex-  
posed state of the chest, according to fashion,  
and the continual changes of our climate.  
"The Protector" is simply a chemically pre-  
pared fur, lined with silk and padded, which, sus-  
pended from the neck, covers the chest, in so  
agreeable a manner, that, once worn, it becomes a  
necessity and a comfort.  
"The Protector," although but recently  
introduced into America, is making rapid  
progress through the United States, the  
Canadas, South America, and the West  
Indies. It has for a long time been a staple  
article in England and on the Continent of  
Europe, while it has grown in many coun-  
tries to the position of an article of dress.

To demonstrate these facts enquire of any Eng-  
lish resident in your vicinity of his knowledge of  
the beneficial effects of wearing the Protector,  
without recourse to doctoring of any kind. The  
cost of wearing these articles is a mere trifle, and  
one will last some years. No one who values the  
health of himself or his family will be without  
them. The Hospitals in this country are not alone  
recommending them, but rapidly introducing them.  
Harcourt, Bradley & Co. of London, and Man-  
chester, England, were originally entrusted with  
the manufacture of the Protectors, by the late  
Dr. Cooper, and continue to manufacture ac-  
cording to his original instructions, and therefore  
recommend those who would wear "The Pro-  
tectors," to see to their being genuine.  
REMEMBER THIS IS A STAPLE ARTICLE, and  
no Patent Medicine.
