

Section 2. Sewage, including wastes from water closets, sinks, bath tubs and laundries, industrial wastes and other wastes objectionable because of appearance, odor or composition, shall in no case be discharged into storm water sewers. Cellar floor drains shall not be connected to storm water sewers. Cesspools or privy vaults shall not discharge into or be connected to a storm water sewer.

Section 3. Surface water, rain water from roofs, subsoil drainage, cistern overflows, clean water from condensers, and any other clean and unobjectionable waste water shall be discharged into storm water sewers.

Section 4. The village clerk shall inquire into and ascertain the purpose of all connections for which permits are requested and the permit issued shall definitely state the permissible use of the connection in accordance with Sections 2 and 3 of this ordinance.

Section 5. All connections in violation of this ordinance shall be abandoned and removed within two months after this ordinance takes effect.

Section 6. Whoever violates any provision of this ordinance shall be fined not less than five or more than fifty dollars and shall pay the costs of prosecution; and any person who shall make an illegal connection to a storm water sewer shall, if ordered by the health officer, remove such connection and if this is not done within five days, the health officer shall cause such connection to be removed and the expense thereby incurred shall be paid by the offending person. In default of such payment for a period of thirty days the said expense shall be certified to the county auditor to be assessed against the property for which the connection was made.

Section 7. All ordinances or parts of ordinances in conflict or inconsistent with the provisions of this ordinance are hereby repealed.

Section 8. This ordinance shall take effect and be in force at the earliest time allowed by law.

An Ordinance. No. ....

Mr. ....

To regulate the use of sanitary and storm water sewers, to provide for the operation and maintenance of sewers, pumping station and sewage treatment works and to provide for the appointment of a superintendent of sewers and sewage treatment works.

Be it ordained by the council of the village of ....., State of Ohio.

Section 1. That before any house sewer can be constructed, or any connection can be made to any sanitary sewer or any storm water sewer constructed in whole or in part by the village of ....., permit shall be secured by the person or persons by whom the sewer is to be constructed, or the connection is to be made. Application for permits shall be filed with and permits shall be issued by the superintendent of sewers hereinafter provided for.

Section 2. A connection to a sanitary sewer or a storm water sewer shall not be made except by licensed plumber or a licensed sewer tapper and no such connection or the trench in which the drain is laid shall be covered or filled until the work has been inspected by the superintendent of sewers.

Section 3. The issuing of permits shall be governed by the following rules:

Sewage, including wastes from water closets, sinks, bath tubs, laundries, and other objectionable wastes shall be discharged into sanitary sewers and in no case into storm water sewers.

Cellar floor drainage shall be discharged into sanitary sewers.

Industrial wastes shall not be discharged into a storm water sewer but may be discharged into a sanitary sewer if the waste is of such character as not to be detrimental to the sewers or to the sewage treatment works. Where such wastes are detrimental to the sewers or sewage treatment works they shall be otherwise disposed of in a satisfactory manner or so improved in character as not to be detrimental to the sewer system or sewage treatment works.

Surface water, rain water from roofs, subsoil drainage, cistern overflows, clean water from condensers, and any other clean and unobjectionable waste water shall be discharged into storm water sewers and in no case into sanitary sewers.

Connections with cesspools or privy vaults shall not be made into sanitary or storm water sewers.

Section 4. All connections in violation of this ordinance shall be abandoned and removed within two months after the completion of the sanitary and storm water sewer system and sewage treatment works.

Section 5. The sewage pumping station and the sewage treatment works shall, from and after completion, be maintained and operated in a satisfactory manner at all times.

Section 6. Prior to the completion of the sewer system and sewage treatment works and before any connections to the sewers are permitted the mayor shall appoint a competent person as superintendent of sewers. The superintendent so appointed shall be charged with the care, maintenance and operation of the entire sewer system, the sewage pumping station and sewage treatment works. He shall issue the permits and make the inspections heretofore provided for and shall perform such duties in relation and pertaining to the provisions of this ordinance as council may direct. He shall give bond in the sum of five hundred dollars, with sureties approved by the mayor for the proper performance of the duties of his office. The superintendent of sewers shall receive a compensation of ..... dollars per annum payable from the ..... fund.

Section 7. Whoever violates any provision of this ordinance shall be fined not less than five or more than fifty dollars and shall pay the costs of prosecution and any person who shall make an illegal connection to a sewer shall, if ordered by the superintendent of sewers, remove such connection and if this is not done within five days the superintendent shall cause such connection to be removed and the expense thereby incurred shall be paid by the offending person and in default of such payment for a period of thirty days the said expense shall be certified to the county auditor to be assessed against the property for which the connection was made.

Section 8. This ordinance shall take effect and be in force from and after the earliest time allowed by law.
