

One Thousand New Standards FREE

The new Standard of Perfection issued by the American Poultry Association will be ready about September next, and will contain many radical changes. We propose with the help of our readers to give away 1,000 copies. How can it be done? Easily. To anyone sending us five new subscribers with \$2.50, just half our regular rate, we will send free by mail a copy of the new Standard when issued, the regular price of which is one dollar, and they cannot be bought for less. You cannot earn a dollar more easily or pleasantly. Any one can avail themselves of this offer without further authority. We have said plainly what we are prepared to do. Samples of REVIEW to show your friends will be sent free on application. Cash MUST accompany all orders, and we cannot accept renewals at this special rate.

EXHIBITION BARRED P. ROCKS.

Again my Rocks have proven that they are the best for the past season. My Rocks have won industrial First and Third on hens, Third on Cocks, First and Third on pullets, Second and Fourth on cockerels, at our Toronto show First and Second on pullets, Second and Fourth on cockerels, and again at the great Ontario show at London I had a clean sweep on females, 1st and hens, 1st and pullets. For the last 3 years I have won on hens at the Ont. show, Port Hope, 1st and on hens, 1st on pullets; at Guelph, 1st, 2nd and 3rd on hens, 1st on pullet, this is the greatest record a breeder ever made on barred P Rocks. I have stock for sale at all times. Eggs 2 dollars per 13
