

# AYER'S HAIR VIGOR No More Bald Heads.

Restores the color, gloss, and youthful freshness of the hair; stimulates a rich and luxuriant growth; thoroughly cleanses the scalp; prevents dandruff and humors; and is the most cleanly and effective preparation for the hair ever offered to the public. Rev. J. W. Davenport, Illinois Bend, Texas, writes: "Ayer's Hair Vigor, used in my family for several years, has no equal as a dressing, nor for preventing the hair from falling out or turning prematurely gray. It ranks among the first luxuries of our house." Miss Kate Rose, Ingersoll, Ontario, writes: "While

keeping my head clear of dandruff, and preventing Scald Head, Ayer's Hair Vigor has also caused my hair to grow luxuriantly, resulting in my now possessing hair forty-two inches long, and as thick as could be desired." The wife of Dr. V. S. Lovelace, Lovelaceville, Ky., had very bad tetter sores upon her head, causing the hair to fall out. Ayer's Hair Vigor healed the sores, and in less than twelve months produced hair a foot long.

PREPARED BY  
DR. J. C. AYER & CO., Lowell,  
Mass., U. S. A.  
For sale by all Druggists.

To produce a new growth of hair on bald heads, in the case of persons advanced in years, is not always possible. When the glands are decayed and gone, no stimulant can restore them; but, when they are only inactive, from the need of some excitant, the application of Ayer's Hair Vigor will renew their vitality, and a new growth will result. L. V. Templeton, Newbern, N. C., writes: "After a protracted illness, with fever, my hair all came out, leaving me entirely bald. I procured a bottle of Ayer's Hair Vigor, and, before I had used all its contents, a

thick growth of hair, nearly two inches long, covered my head." L. D. McJunkin, Perryville, Md., writes: "Baldness is hereditary in my family. Five years ago the hair on the top of my head was becoming weak and thin. I procured Ayer's Hair Vigor, the application of which invigorated the hair roots, and sent out a new growth of young hair. To-day my hair is as thick and vigorous as ever. I still use the Vigor occasionally to keep my scalp in a healthy condition."

## JOHNSTON'S FLUID BEEF

Is generally looked upon as a winter beverage, when, in reality, its strengthening properties are perhaps more requisite during the hot months of summer, when our appetites fail us—we do not feel inclined to eat anything: and yet we require something to keep up our strength. By taking two or three cups of Johnston's Fluid Beef during the day, it will be found to strengthen, refresh and nourish the system, and supply in every respect the place of meat diet.

## BRANTFORD LADIES' COLLEGE.

Session 1887-88 Will Open on Wednesday, September 7, 1887.

A College that has gained success and confidence. For (1) the life, (2) healthfulness and beauty of location and surroundings, (3) efficiency and experience of its staff, (4) thoroughness in educational training and (5) for completeness of its courses in Art and Music, this institution is still unrivalled in the Dominion. University Work in Full Progress. Only a limited number of students received, thus securing the most direct and personal supervision in the social and in the moral life of the young ladies. Parents will do well to consider this feature of our work.

Send for our new Calendar, giving full information.
