BUSY DAYS WITH BUSY PEOPLE.

A GOOD STUFFING FOR TURKEY.—Chop up a quarter pound of butter or half pound of beef suet very fine, put in a bowl with half a pound of stale bread crumbs, two tablespoonsful of finely chopped parsley, two tablespoonsful of powdered thyme and marjoram, a suspicion of lemon peel, grated, and the juice of half a lemon, a quarter of a nutmeg and a teaspoonful of salt, one-sixth of one pepper and two yolks of eggs.

OYSTERS ROASTED IN THE SHELL.—Wash the shells clean, and wipe dry. Place in a baking-pan, and put in a hot oven for about twenty minutes. Serve on hot dishes the moment they are taken from the oven. Though this is not an elegant dish, many people enjoy it as the first and best flavour of the oysters is retained in this manner of cooking. The oysters can, instead, be opened into a hot dish and seasoned with butter, salt, pepper, and lemon juice. They should be served immediately.

CHURCH BELLS.

We have received a copy of the Catalogue of the Cincinnati Bell foundry Co., of Cincinnati, Ohio, containing descriptions and prices of church, school and fire alarm bells, and over 1,800 Testimonials from purchasers in the United States and Canada.

To ROAST A TURKEY.—Flour it, put it in a dripping pan with a few slices of fat pork, lard over the breast, or put a good piece of butter in a wooden spoon and rub the butter over the bird; keep the spoon in a cool spot when not in use. While a chicken takes one hour or less to cook, according to size, a turkey takes three or four hours. If you use pork, when the bird is browned all over, pour off the fat very carefully and remove the pork. Have the gizzard ready chopped, the liver mashed fine and a teaspoonful of flour mixed with it. Pour the broth from the giblets to it, stir well and boil in the pan on top of the stove a few seconds.

IRISH STEW.—About two pounds of the neck of mutton, four onions, six large potatoes, salt, pepper, three pints of water, and two tablespoonsful of flour. Cut the mutton in handsome pieces. Put about half the fat in the stew pan, with the onions, and stir for eight or ten minutes over a hot fire; then put in the meat, which sprinkle with the flour, salt and pepper. Stir ten minutes, and add the water, boiling. Set for one hour where it will simmer; then add the potatoes, peeled and cut in quarters. Simmer an hour longer, and serve. You can cook dumplings with this dish, if you choose. They are a great addition to all kinds of stews and ragouts.
