statements prepared.

**"Probably"** No other railway in the North-  
west has been more prompt  
to adopt every invention  
which promised to add to the convenience  
and comfort of its patrons, than The North-  
Western Line. A journey over this route,  
especially between Minneapolis, St. Paul and  
Chicago, has become a pleasure, and is en-  
tirely free from the annoyances and discom-  
forts so long inseparably connected with  
journeys by rail.—The Argus, Fargo, N.D.
