WEEP NOT!

Weep not for death,
Tis but a fever stilled,
A pain suppressed, a fear at rest,
A solemn hope fulfilled.
The moonbeam slumbering on the deep,
Is scarcely calmer—wherefore weep?

Weep ye for change,
For earth's pure dews exhaling,
For joy's first tears, for hope's first fear,
For love's first little falling.
Eve's lightest shadow on the seas,
Tells us of midnight—weep for these.

Weep not for death!
The fount of tears is sealed—
Who knows how bright the heavenly light,
To those shut eyes revealed?
Who knows what new-born love may fill
The heart which seems so cold and still?

Weep ye for life,
For smiles that end in sighing,
For love whose guest hath never rest,
For the hearts hourly dying.
Weep not when silence sucks the breath,
Life is the bitterness of death!

LANGLEY'S ANTIBILIOUS APERIENT PILLS. The great popularity required by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by pulling advertisements—no certificate published respecting them.

These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. THE RENOWNED REMEDY!
HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS ULCERS.—A CASE CERTIFIED BY THE MAYOR OF BOSTON.
Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor HOLLOWAY,
Dear Sir,—Mrs. SARAH DIXON, of Liquepond Street Boston, has this day deposited before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.
Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before this ail was used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health. I remain, Dear Sir, yours truly,
Dated August 12th, 1852. (Signed) J. NOBLE.

AN EXTRAORDINARY AND RAPID CURE OF ERYSIPELAS IN THE LEG, AFTER MEDICAL AID HAD FAILED.
Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bignor, Sussex, dated Jan. 12th, 1853.

To PROFESSOR HOLLOWAY,
Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment, and Pills. I did so without delay, and I am happy to say the result was eminently successful, for they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.
I am, Sir, your obliged and faithful Serv't.
(Signed) ELIZABETH YEATES.

A DREADFULLY DISEASED ANKLE CURED AFTER BEING GIVEN UP BY THE FACULTY, AT MALTA AND PORTSMOUTH HOSPITALS.
The following important communication has been forwarded to Professor Holloway for publication by Mr. B. Dixon, Chemist, King St., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. DIXON,
Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines.—Mr. JOHN WALTON, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ankle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate four months, there, as at Malta, refusing to have the ankle amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ankle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which by unremitting application, healed all the ulcers, and restored him to perfect health and strength.
I remain, Dear Sir, yours very truly,
F. FOSTER KERR.

SURPRISING CURE OF A BAD BREAST, NERVOUS DEBILITY AND GENERAL LIITLE HEALTH.
Copy of a Letter from Mr. T. F. Ke, Chemist, &c. Lower Moss-lan, Manchester, dated Feb 12th, 1853.

To PROFESSOR HOLLOWAY,
Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mrs. MARTHA BELL, of Pitt street, in this town, had been for a considerable time suffering under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result. In fact, she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have a recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved, the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed. I remain, Dear Sir, yours faithfully,
(Signed) F. FOSTER KERR.

These celebrated Pills are wonderfully efficacious in the following complaints.
The Pills should be used conjointly with the Ointment in most of the following cases:—
