CANADA MEDICAL ASSOCIATION AND AMERICAN MEDICAL ASSOCIATION.

A meeting of the Joint Committee of Conference appointed by these two organizations was held at the Jefferson Medical College Philadelphia on September 2nd, at 12 o'clock, noon.

Present Drs. Edward H. Trenholme, J. A. Grant, F. W. Campbell, E. Robillard, of Canada; and Drs. H. J. Bowditch, E. Andrews, Samuel D. Gross, John T. Hodgson, and William B. Atkinson, of the United States.

On motion of Professor Gross, Dr. J. A. Grant of Canada was requested to preside; and Dr. William B. Atkinson, of the United States, to act as Secretary.

By request, the Secretary read the following communication, as explanatory of the Conference:—

“Moved by Dr. Grant, seconded by Dr. Hingston—

“That, in consideration of the best interests of medical science, it is desirable that a Medical Conference should take place between the American and Canada Medical Associations, at some central point, to be determined upon, and that the American Medical Association be advised as to the desirability of thus becoming more intimately acquainted, and affording an opportunity for the discussion of medical and surgical subjects on a common basis.

Which motion was unanimously agreed to, when Dr. Hingston, seconded by Dr. Botsford, moved:—

“That, in the event of such a Conference being

determined upon, it would be desirable that the Secretary of the Canada Medical Association notify the different members, so that they may take part in a manner worthy of the occasion, and in keeping with the best interests of medical science.

“Which motion was also unanimously adopted.

“A true Copy from the Minutes.

“A. H. DAVID, M.D.,

“General Sec. Canada Medical Association.”

Dr. Grant, in an able speech, explained more fully the desires of the Canada Medical Association.

The subject was then discussed by Drs. Gross, Bowditch, Andrews, F. W. Campbell, and Trenholme.

Dr. Andrews then offered the following Resolution, which was unanimously adopted:—

*Resolved*, That in the opinion of this Committee, the interests of medical science will be promoted by a consolidation of the American Medical Association and the Canada Medical Association in one body.

On motion of Dr. Gross, seconded by Dr. Andrews, it was unanimously

*Resolved*, That the President of the American Medical Association and the President of the Canada Medical Association be requested to embody this idea properly and emphatically in their addresses before their respective Associations.

On motion, the Conference adjourned, with thanks to the President and Secretary.

CHLORAL PLASTER.

For neuralgia, rheumatic pains, etc., use the ordinary emplastrum roborans, and powder it with the chloral. Apply the plaster to the affected part and leave it from twenty-four to forty-eight hours. When taken off the skin is found studded with vesicles; these are to be pricked with a pin, followed by a dressing with simple ointment. The pain vanishes long before the vesicles are dried up.

MARRIAGES.

On the 25th October, by the Rev. A. Deschamps, Vicar of Notre Dame, of Montreal, William Henry Mondelet, Esq., M.D., second son of the Hon. Justice Mondelet, one of Her Majesty's judges for the Province of Quebec, to Eliza Ellen Hitchcock, fourth daughter of the late John Hitchcock, Esq., of Sudbury, Suffolk, England, and sister to Mrs. James Worthington, of Montreal.
