A disease of so delicate a nature as stricture of the urethra should only be entrusted to those of large experience and skill. By our improved methods we have been enabled to speedily and permanently cure hundreds of the worst cases. Pamphlet, references and terms, three letter stamps. World's Dispensary Medical Association, 603 Main Street, Buffalo, N. Y.

Crocodile farming is rapidly becoming a leading industry in certain localities. The largest animals are killed and skinned, their flesh being used to feed their descendants. One dealer last year supplied a tanner with 5,000 skins.

The great diaphoretic and anodyne, for colds, fevers and inflammatory attacks, is Dr. Pierce's Compound Extract of Smart-Weed; also, coups colic, cramps, cholera morbus, diarrhoea and dysentery, or bloody-flux. Only 50 cents.

A Baltimore man called a letter carrier a liar and was promptly knocked down. He is now punishing the Government by going to the post office for his own mail.

"Love Sees No Faults,"

It has been said; but, when a woman is dragged down, emaciated, wan, and a shadow of her former self, with never a cheerful word, she can be no longer beautiful or lovable. Nature may have been generous in her gifts, and endowed her with all the charms of her sex, but disease has crept in unawares and stolen the roses from her cheeks, the lustre from her eye, and the radiance from her heart. But to be well again lies in your own power. Take Dr. Pierce's "Favorite Prescription," it will cure you; thousands have been cured by it. Nothing equals it for all the painful maladies and weaknesses peculiar to women. Price reduced to one dollar. By druggists.

In the case of a miser it is much easier to take things as they come than part with things as they go.

The Way of the World.

That many with the glad consent praise new-born remedies, especially if they pay a larger profit—no one conversant with the substitution practiced in this respect will deny, and when you are told by interested parties that such and such a preparation is as "good or better"—than the great sure pop corn cure—Putnam's Painless Corn Extractor. Just for a moment consider if your benefit prompts the advice, or if the small additional profit secured by the sale of inferior or poisonous substitutes lies at the bottom of the suggestion. We say then, buy only Putnam's Painless Corn Extractor; the safe, sure and tested remedy for corns will be found in Putnam's Painless Corn Extractor. N. C. Polson & Co., Kingston, proprietors.

JOURNAL Office from all points. All persons competing must become subscribers for at least one year to the LADIES' JOURNAL, for which they must enclose, with their answers, FIFTY CENTS, the regular yearly subscription price. Those who are already subscribers will have their term extended one year for the half dollar sent. Those who cannot easily obtain scrip or post-office order for fifty cents, may remit one dollar for two years' subscription, and the JOURNAL will be sent them for that time; or for the extra money the JOURNAL will be mailed to any friend's address they may indicate.

AN INTERESTING MAGAZINE.

The LADIES' JOURNAL contains 20 large and well-filled pages of choice reading matter, interesting to everyone, but especially so to the ladies. One or two pages of new music, (full size,) large illustrations of latest fashions, Review of Fashions for the Month, Short and Serial Stories, Household Hints, &c., &c., and is well worth double the small subscription fee asked. It is only because we have such a large and well established circulation (52,000) that we can afford to place the subscription at this low price. You will not regret your investment, as in any case you are sure to get the LADIES' JOURNAL for one year. Everything will positively be given exactly as stated, and no favoritism will be shown anyone. Large lists of prize-winners in previous competitions have appeared and are appearing in every issue of the JOURNAL, any one of whom maybe referred to as to the genuineness of these offers. The LADIES' JOURNAL has been established nearly five years, and the publisher has been in business nine years. He can therefore be depended upon to carry out all his promises. He has always done so in the past, and cannot afford to do aught else in the future. Address, EDITOR "LADIES' JOURNAL," Toronto, Canada.

Demonstrated.

Sometimes it costs hundreds of dollars to convince a man; very often less is required, but in the case of Polson's NERVILINE, that sovereign remedy for pain, 10 cents foots the bill, and supplies enough NERVILINE to convince every purchaser that it is the best, most prompt and certain pain remedy in the world. NERVILINE is good for all kinds of pain, pleasant to take, and sure to cure cramps and all internal pains. It is also nice to rub outside, for it has an agreeable smell, quite unlike so many other preparations, which are positively disagreeable to use. Try it now. Go to a drug store and buy a 10 cent or 25 cent bottle. Polson's NERVILINE. Take no other.

When a very mad woman begins practicing with a revolver the wise man always dodges in front of her.

The manufacturers of the "Myrtle Navy" tobacco invite the very closest scrutiny of its quality. The expert whose trained senses teach him to recognize the exact quality of tobacco, and the smoker who judges by his experience in smoking it, will both come to the same conclusion that it is of the very highest quality anywhere to be found. It is made of the very finest of Virginia leaf and is manufactured with the greatest possible care.

Green in various subdued shades will be a leading color in fall and early winter fashions.

The Chinese Viceroy of Chen-ai and Kansu explains that the earthquakes which have done much damage in his jurisdiction were chiefly occasioned by the mildness of the winter, which caused an excess of the yang or male element of nature; but they were due in a measure to the perfunctory performance of their public duties by the local officials, who failed to call down the harmonizing influence of heaven.
