Montreal.

Convincing Evidence of Superiority which Cannot be
Duplicated by any other Perfumer.

THE BEST SELLING

PERFUMERY

ON THE CONTINENT.

"The largest invoice of perfumery ever delivered to any one retail druggist in the United States," (St. Paul Pioneer Press) "was sold to L. MUSSETTER, St. Paul, in November, amounting to \$870.00 of Ricksecker's Perfumery." Letter just received says: "Mr. M. sold out about the entire lot in 40 days. I send you another \$200.00 order for him, J. R. Parsons." January, 1890.

CASWELL, MASSEY & CO., New York, have bought \$1,200 worth of Ricksecker's goods in six months, and we think it safe to say that they have not bought one-fourth as much of all other American Perfumery combined.

A. H. SMITH & CO., San Francisco, bought \$1,000 worth of Ricksecker's goods inside of four months.

Ricksecker's Perfumes give better satisfaction than any other make. A new customer buys them often for style, but after once doing so, for quality. H. W. KNIGHT, Boston.

Ricksecker's goods are the most attractive and popular that we have ever stocked. The demand is increasing and they sell every time. Our sales show five to one of the imported. A. L. HELMBOLD, Philadelphia, Pa.

Ricksecker's perfumes are giving universal satisfaction, and the trade on them is constantly increasing: in the past five months our sales on your perfumes have exceeded those of all other manufacturers combined. F. W. BRAUN & CO., Los Angeles, Cal.
