

THE "NEWS."

The Canadian Illustrated News for January 22nd, is an interesting number. It contains sketches of the Prince of Wales in India, the portraits of the Judges of the Ontario Court of Error and Appeal, and numerous other engravings. On page 60 are a number of sketches of the Indian reserve, which are of especial interest to the people of this section. There are very well executed views of the Six Nations' Council House, the tomb of Brant, the old Mohawk church, (the first church in Upper Canada, erected by Brant in 1785), etc.—Brant Union.

MANY PEOPLE THINK that if they have a slight cold or cough, the best thing they can do is to do nothing, but simply let it wear off. It is the indulgence in this fearfully erroneous idea that makes the dread scourge of Consumption so frightfully common—so common, that it is estimated that war is as nothing, and pestilence a bagatelle compared to it. Never neglect a cold till too late, but use Wingate's Pulmonic Troches, which give immediate relief. Sold everywhere for 25 cents. 13-1-52
