## PARODY.

To be a Lamp sought after everywhere is rather sweet,
And in the race for popularity I, the "Pittsburgh,"
    can't be beat ;
In fact, I am a wonder, every-person to get me tries ;
Just now they're looking for a Lamp that is good for
    sore eyes.

### CHORUS:

So they're after me, they're after me,
   I am the Lamp they all require,
They're after me, they're after me,
   To capture me is everyone's desire.

They want a Lamp to light the big Chicago Fair,
To illuminate the buildings and draw the people
    there ;
They're looking for the Lamp that makes day out of
    night,
A Lamp that eclipses the electric light.

So they're after me, etc.

## Manual of Punctuation

AND SOME

### TYPOGRAPHICAL   ✳
### MATTERS . .

Designed for Printers, Students, Teachers, and Writers, by

### JAMES P. TAYLOR

This little book of eighty-two pages aims to make every student of it an adept in the art of punctuation, and we do not think we claim too much for it when we say that it will accomplish all it aims to.

The exercises, one or two excepted, have not been taken from any work on the subject, but from every outside source that provided the best for illustrating the subject. Many have been taken from the School Readers ; and it is believed that they are sufficiently numerous and well chosen to afford all necessary assistance to aspirants for proficiency in this much neglected art.
