DR. M'LANE'S CELEBRATED LIVER PILLS,

FOR THE CURE OF Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; someimes the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. 3 The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part: There is generally a considerable loss of memory, accompanied with a pain. ful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough totry it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them A FAIR TRIAL.

Address all orders to

FLEMING BROS., PITTSBURGH, PA.

A REPRESENTATIVE AND CHAMPION OF AMERICAN ART TASTE

Prospectus for 1875-Eighth Year. THE ALDINE, THE ART JOURNAL OF AMERICA,

Issued MONTHLY. A Magnificent Conception, Wonderfully Carried Out."

The necessity of a popular medium for the repre-sentation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures which so invariably followed each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary peroidicals. It is an ele-gant miscellany of pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number, affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception-alone and unapproached-absolutely without competition in price or character. The possessor of a complete volume can not dupli-cate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost : and then, there is the chromo, besides I

The national feature of THE ALDINE must be taken in no narrow sense. True art is cosmopolitan. While THE ALDINE, is a strictly American institution, it does not confine itself entirely to the reproduction of native art. Its mission is to cultivate a broad and appreciative art taste, one that will discriminate only on grounds of intrinsic merit. Thus, while placing before the patrons of THE AL-DINE, as a leading characteristic, the productions of the most noted American artists, attention will always be given to specimens from foreign masters, giving subscribers all the pleasure and instruction obtainable from home or foreign sources.

The artistic illustration of American scenery, original with THE ALDINE, is an important feature, and its magnificent plates are of a size more appropriate to the satisfactory treatment of details than can be afforded by any inferior page. The judicious interspersion of landscape, marine, figure, and ani-mal subjects, sustain an unabated interest, impossible where the scope of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful accompaniment, worthy of the artistic features, with only such technical disquisitions as do not interfore with the popular interest of the work.

PREMIUM FOR 1875.

Every subscriber for 1875 will receive a beautiful portrait, in oil colors, of the same noble dog whose picture in a former issue attracted so much attention. "Man's Unselfish Friend"

will be welcome in every home. Everybody loves such a dog, and the portrait is executed so true to the life, that it seems the veritable presence of the animal itself. The Rev. T. de Witt Talmage tells that his own Newfoundland dog (the finest is Brooklyn) barks at it! Although so natural, no one who sees this premium chromo will have the slightest fear of being bittin.

Besides the chromo every advance subscriber to THE ALDINE for 1875 is constituted a member, and entitled to all the privileges of

THE ALDINE ART UNION.

The Union holds the originals of all THE ALDINE pictures, which, with other paintings and engravings, are to be distributed among the members. To every series of 5,000 subscribers, 100 different pieces, valued at over \$2,500 are distributed as soon as the series is full, and the awards of each series as made, are to be published in the next succeeding issue of THE ALDINE. This feature only applies to subscribers who pay for one year in advance. I particulars in circular sent on application en

DE LA SALLE INSTITUTE Nos. 18, 20 & 22 Duke Street.

TOBONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resert to students. The spacious building of the Bank-now adapted to educational purposes-the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christ ian Brothers will now be better able to promote the physical, moral and intellectual .development of th students committed to their care

The system of government is mild and paternal yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and merals are not satisfactory : students of all denom inations are admitted.

The Academic Year commences on the first Monday in September. and ends in the beginning of July.

COURSE OF STUDIES.

The Course of Studies in the Institute is divided into two departments—Primary and Commercial. PRIMARY DEPARTMENT. SECOND CLASS.
