

DR. M'LANE'S Celebrated American WORM SPECIFIC, OR VERMIFUGE.

SYMPTOMS OF WORMS. THE countenance is pale and leaden-colored, with occasional flushes, or a circumscribed spot on one or both cheeks; the eyes become dull; the pupils dilate; an emerald semicircle runs along the lower eyelid; the nose is irritated, swells, and sometimes bleeds; a swelling of the upper lip; occasional headache, with humming or throbbing of the ears; an unusual secretion of saliva; slimy or furred tongue; a catarrh very foul, particularly in the morning; appetite variable, sometimes voracious, with a gnawing sensation of the stomach, at others, entirely gone; fleeting pains in the stomach; occasional nausea and vomiting; violent pains throughout the abdomen; bowels irregular, at times costive; stools slimy; not unfrequently tinged with blood; belly swollen and hard; urine turbid; respiration occasionally difficult, and accompanied by hiccup; cough sometimes dry and convulsive; uneasy and disturbed sleep, with grinding of the teeth; temper variable, but generally irritable, &c.

DR. M'LANE'S VERMIFUGE Will certainly effect a cure. A universal success which has attended the administration of this preparation has been such as to warrant us in recommending ourselves to the public to RETURN THE MONEY in every instance where it should prove ineffectual: "providing the symptoms attending the sickness of the child or adult should warrant the supposition of worms being the cause." In all cases the Medicine to be given IN STRICT ACCORDANCE WITH THE DIRECTIONS.

We pledge ourselves to the public, that Dr. M'LANE'S Vermifuge DOES NOT CONTAIN MERCURY in any form; and that it is an innocent preparation, not capable of doing the slightest injury to the most tender infant.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, Toronto, Ont. DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been uniting in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with. The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breeze from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire. The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care. The system of government is mild and paternal, yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted. The Academic Year commences on the first Monday in September, and ends in the beginning of July. COURSE OF STUDIES. The Course of Studies in the Institute is divided into two departments—Primary and Commercial. PRIMARY DEPARTMENT. SECOND CLASS. FITS! FITS! FITS! CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS. Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing and preventing Falling Fits. The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is afflicted himself, or has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him. A MOST REMARKABLE CURE. PHILADELPHIA, June 28th, 1857. SEYMOUR HANCE, Baltimore, Md.—Dear Sir: Sending your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1853. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but he learned to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician, who was cured and best advised of those times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever I was occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1857, I commenced to use your Pills, and only had two attacks since. The last one was in April, 1857. I have since had no more serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that all the Pills and their good effects should be made known everywhere, that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 38 North Third St., Philadelphia, Pa. W. WILLIAMSON, Esq., Philadelphia, Pa.

IS THERE A CURE FOR EPILEPSY? The subscriber will answer: GRENADA, Miss., June 20th, 1857.—Dear Sir: You will find enclosed five dollars, which I send you for two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with this for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since, and was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have been cured by your Pills, and I have Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them in no instance where I have had a chance of hearing from their effect have they failed to cure. Yours, etc. C. H. GUY, Grenada, Talabaha County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS. To SEYMOUR HANCE, a person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies proposed by our resident physicians, but without success. Having seen your advertisement, I concluded to try it. I obtained two boxes of your Pills, and he took them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to try it. B. L. DE FREEST, Montreal, Quebec.

STILL ANOTHER CURE. Read the following certificate from a respectable citizen of Grenada, Talabaha County, Miss.: SEYMOUR HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Epilepsy, cured by your Epileptic Pills. My son, J. J. Lyons, has been afflicted with this disease for thirteen years. He was attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to that time he commenced taking your Pills he had them very often and quite severe, protruding his body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed good health for the last five months. His mind has also returned to its original brightness. All this, I take great pleasure in commending to you as the means of directing others to the remedy that will cure them. Yours, respectfully, etc. W. P. LYONS.

Sent to any part of the country, by mail, free of postage, on receipt of a number. Address, SEYMOUR HANCE, 108 Baltimore St., Baltimore, Md. Price, one box, \$3, two, \$5, twelve, \$27. Please mention who you saw this advertisement.

Ayer's Hair Vigor, For restoring Gray Hair to its natural Vitality and Color. A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Practical and Analytical Chemists.
