Mercantile Summary.

THE Dominion Telegraph Company's shareholders will gather in their yearly meeting on the 10th proximo.

On Wednesday evening a city policeman found a roll of bills amounting to nearly \$1,200 on Queen st. west.

THE Hon. Bradley Barlow's creditors met Montreal on Saturday last. The claims aggregated \$3,500,000. Mr. Wm. Cassils was appointed curator.

BENNETT SMITH, one of the largest ship owners in Nova Scotia and probably the richest man in the province, died at Windsor, N. S., on Monday last.

THE Dried Apple, or Evaporated Fruit, crop in Western New York has all been bought up by dealers, and it is reported or estimated that there is not enough to supply the demand.

FROM the outport of Milford, during the season ending 31st December last, there were exported 188,000 lbs. of fish, equal to 94 tons, value about \$7,000. The fish were mainly salmon trout and white fish.

WE note a change in the wholesale crockery firm of J. L. Cassidy & Co., Montreal. A new partnership has been formed, composed of Messrs. J. L. Cassidy, Claude Melancon, P. M. Laviolette, L. A. Garipey, Alphonse Aumond as general partners, and Mr. L. A. Senecal as special partner to the amount of \$20,000.

THE Ontario Beekeepers' Association has secured a space of four thousand feet for its display of honey at the Colonial Exhibition. A committee waited upon the Hon. A. M. Ross on Monday and made application for a grant of money in aid of the exhibit. The Commissioner of Agriculture favorably received the deputation and promised to consider the matter. Messrs. Jones, Hall, Cornell, Pettit and McKnight will represent the Association in England.
