## THE COUNTERFEIT

Which is to-day doing the greatest and most widespread mischief is the substitution of Alum for Cream of Tartar in the manufacture of Baking Powder. Avoid danger by using only the old, well tried

**COOK'S FRIEND.**  
Which contains NO Alum, never yet asked for a certificate, much less paid for one, and is its own best recommendation, making FRIENDS wherever it goes.

## Mercantile Summary.

THIRTY shares of Pictou Bank stock were sold by auction in Halifax, a few days ago, at two per cent. discount.

A DRUG firm in Winnipeg, S. W. Trott & Co., is in some embarrassment. The company was one Melville who furnished the capital. He has left the country, and Trott having but little means cannot well go on. It is thought that the creditors will suffer loss.

MR. Wm. J. Shaw, a small furniture dealer in Nottawa, went to that place from Duntroon a short time ago, where he did not succeed. He has now left the country, finding no better success in his new place of business, than in his old.

THE Masson Manufacturing Company at Oshawa, which was an offshoot of the Joseph Hall company some years ago, is now in difficulty, the result, we understand, of a disagreement among the partners. The firm has resorted to the law courts to adjust its difficulties. This will absorb a portion of their paid capital of \$70,000 before proceedings terminate.

MESSRS. Bingham & Smith, opened out, something over two month ago, a fine auction room in this city, for which they were to pay a rental of \$1,000 a year. Neither of the firm appears to have had any capital, and the landlord says he has received no rent. Both parties seem to be missing, leaving nothing available for creditors.
