Keep Minard's Liniment in the House.

The following lament is made by an old Scotch golfer in the London *Daily News*: "I am greatly pained to hear the name of the royal and ancient game habitually mispronounced by novices in England, who persist in sounding the letter 'l' in the word. It would be as correct to accentuate the 'l' in 'calf' or 'half' as in 'golf,' which, by the way, is actually spelled 'goff,' and sometimes 'gowff,' in the old burgh records."

The Toronto Industrial Exhibition begins on the 2nd of September next. The number of entries of Live Stock and Manufactures, and in fact in all the leading departments, is unprecedented. Increased facilities have been provided in the building and grounds, and the exhibits in addition to being considerably larger in volume than those of any previous year, will be choicer and better arranged. The general features of the show need not be recapitulated in detail. It is sufficient to say that it presents a complete epitome of the progress and attainments of the Dominion in industry, mechanical invention, art and science. A brilliant programme of special attractions has been provided, a prominent feature of which is the great Water Fete and Aquatic Exhibition to be given every afternoon and evening on a spacious artificial lake in front of the grand stand, with beautiful tableaux and a great variety of aquatic performances, accompanied by vocal and instrumental music of the highest order. In addition to this, the splendid military, dramatic and pyrotechnic pageant, "The Relief of Lucknow," concluding with a magnificent fireworks display, will be put on each evening.

HAVERGAL HALL,

350 JARVIS ST., TORONTO.

OPENED SEPTEMBER, 1894.

The Board having determined to make this School equal to the best Ladies' School in England, was most fortunate in procuring as Lady Principal, Miss Knox, who has taken a full course in the University of Oxford, passing the final examinations in the two Honor Schools of Modern History and English. Miss Knox, until she came to Havergal Hall, held an important position in "Cheltenham," one of the largest and best appointed Ladies' Colleges in England.

The Board has determined to have a staff of assistants fully competent to sustain the Lady Principal in her work. Mr. H. M. Field, late pupil of Martin Krause of the Royal Conservatory of Music, Leipzig, is the head of the Musical Department. Mr. E. Welys, B.C.A., the well-known Painter, is head of the Art Department.

The School is open for both day pupils and boarders. Full information may be obtained by circulars on application to Havergal Hall, or to
