Shredded
Wheat

Received the Endorsation
of Physicians

"I most cheerfully endorse the Cereal Food (Shredded Wheat Biscuit) as a healthy and highly nutritious food. It is specially adapted for those suffering from weak indigestion, as it is easily digested and assimilated, even by those who are not able to digest other cereal foods."—W. Carey Allen, M.D., Colorado Springs, Col.

Drop a postal for our book of Food and Facts and Food Values, containing 282 receipts for preparing healthful dishes.
