

A last word on statistics. The statistical information contained in this synopsis is to be considered as an attempt on the part of Trade Commissioners abroad to estimate the order or magnitude of market size, market shares, and possible export potential. Users of this synopsis are cautioned that these figures are in many cases best guesses based on discussions with trade sources. In many markets, reliable published statistics are simply not available. However, in an attempt to provide exporters with notional ideas of market size, Trade Commissioners have been asked to do their best to give their considered impressions wherever possible. Therefore it is not intended that the statistical information should be used for purposes other than general guidance.
