

become too large, it is expected to continue to expand in 1990 with increased visitor and exhibitor participation. The trend towards increased international participation should also continue along with the growth of support services for the fishing industry.

The Boston seafood show will continue to be the major trade event for small to medium sized Canadian seafood companies. The 1990 show will take place at the Hynes Convention Center, Boston, March 20-26-1990. Prospective exhibitors should contact the following concerning the booking of space for the 1990 show.
