

grant, number of participants and the name and address of the project representative. This 421 page listing can be obtained from the Secretary of State Department. A similar list of all projects funded under the 1973 Opportunities for Youth Program is being compiled.

3. See answer to Part 2.

4. No tabulated records exist for OFY applicants approved in the current year who were also successful applicants in one or more of the previous years.

5. See answer to Part 2.

#### OFY—GRANTS IN CONSTITUENCY OF ONTARIO

Question No. 2,003—**Mr. Stevens:**

1. In the constituency of Ontario, in each of the past three years, how many applications were received for OFY grants and for each year, what were the aggregate amounts requested in the applications?

2. How many of the applications were approved and what were the aggregate amounts so approved in each of the three years?

3. What was the actual amount dispersed in each year including the amount dispersed to date in the current year?

4. Were there applicants approved in the current year who were also successful applicants in one or more of the previous years and, if so, how many were there and what were the aggregate amounts involved in each of the years?

5. How many jobs were created in the constituency in each of the years through implementation of OFY projects?

**Hon. James Hugh Faulkner (Secretary of State):** 1. Statistics on applications submitted for funding are available on a provincial basis, and not by constituency, for 1972 and 1973 only.

2. A list of all projects funded under the 1971 Opportunities for Youth Program has been completed. Projects are classified by province and type, and in order of project number, not by constituency. Information includes the project title, a short description of the project activities, amount of the grant, number of participants, and the name and address of the project representative. A list of all projects funded under the 1972 Opportunities for Youth Program has been completed. Projects are classified by province and in alphabetical order of the towns and cities in which the projects were carried out, not by constituency. Information includes the project title and number, a short description of the project activities, amount of the grant, number of participants and the name and address of the project representative. This 421 page listing can be obtained from the Secretary of State Department. A similar list of all projects funded under the 1973 Opportunities for Youth Program is being compiled.

3. See answer to Part 2.

4. No tabulated records exist for OFY applicants approved in the current year who were also successful applicants in one or more of the previous years.

5. See answer to Part 2.

#### Order Paper Questions

##### CANADIAN RECIPIENTS OF ROYAL HONOURS

Question No. 2,355—**Mr. Coates:**

Are accurate lists of living Canadian recipients of Royal Honours maintained and (a) if so, by what department and are they available to the public (b) if not, for what reason?

**Right Hon. P. E. Trudeau (Prime Minister):** Records have been kept of the names of Canadian recipients of orders and decorations conferred by the Sovereign, extending back over many years. Whenever information comes to hand about the decease of holders of such honours, the records are amended but deaths are often not reported nor found in obituary notices. Hence, the records are necessarily incomplete. (a) Until 1972, records of honours were kept by the Secretary of State Department but are now held in the Honours Secretariat, Government House. Information is supplied to the public in response to specific inquiries concerning holders of these honours. (b) See answer to part (a).

##### CONSULTATIONS BETWEEN MOT AND PROVINCIAL GOVERNMENTS—GROS MORNE NATIONAL PARK

Question No. 2,455—**Mr. Marshall:**

1. Has any consultations taken place between the Department of Indian Affairs and Northern Development and the Department of Transport to provide for the influx of tourists which will take place as a result of the establishment of the Gros Morne National Park in the Province of Newfoundland and, if so, what action has been taken?

2. Has any consultation taken place between the federal and provincial governments as to future needs of harbour development in the Gros Morne National Park area and, if so, what action has been taken?

**Hon. Jean Chrétien (Minister of Indian Affairs and Northern Development):** (1) The Department has not been in consultation with the Ministry of Transport. Parks Canada will be providing interim camping and picnic facilities to meet tourist needs while permanent facilities are being developed.

2. Consultation has taken place regarding the landing areas and associated staging facilities within the boundaries of the proposed National Park. Parks Canada will maintain these areas and facilities and will consult with local fishermen regarding any necessary improvement.

##### MARITIME COMMAND—HYDROFOILS

Question No. 2,502—**Mr. Bawden:**

1. In light of the recent contract for \$42.6 million awarded to the Boeing Co. by the U.S. Navy to construct hydrofoil ships for use by NATO, were the Canadian Forces ever approached to use the hydrofoil now in dry dock in Halifax for such purposes?

2. In light of the need by NATO for such hydrofoils, is any consideration being given to recommencing the hydrofoil construction program?

3. What are the names of the leading engineers who worked on the design team that built the Canadian hydrofoil?

4. To the knowledge of the government, with what companies are the above engineers now employed?

**Hon. James Richardson (Minister of National Defence):** 1. The contract referred to is for a Patrol (Hydrofoil (Missile) boat which is part of a three-nation (Italy, Germany and the United States) program within
