stood? On Monday will we be dealing with Bill C-49 in committee, beginning with clause 4?

**Mr. Turner (Ottawa-Carleton):** Yes, that is so. It is our understanding that clause 52, which has been stood, was stood because of a sidebar heading which, in the minds of some hon. members, related to resources. It really does not relate to resources.

**Mr. Paproski:** I agree, Madam Chairman. I think that clause 52 could be carried, if we could revert to it.

**The Assistant Deputy Chairman:** Is it agreed that we revert to clause 52, as amended?

**Some hon. Members:** Agreed.

Clause 52 as amended agreed to.

**The Assistant Deputy Chairman:** It being five o'clock it is my duty to rise, report progress, and request leave to consider the bill again at the next sitting of the House.

Progress reported.

**The Acting Speaker (Mrs. Morin):** It being five o'clock the House stands adjourned until Monday at 2 p.m.

At 5 p.m. the House adjourned, without question put, pursuant to Standing Order.
