

I knew well. About the first  
information I did receive was that  
he had been appointed to the  
Lucas Chair, hence my wire. I am  
sorry he has been lost to M'Gill, for he is  
fine scholarly man and is a most  
desirable type.

Well, good-bye my friend. May  
all go well with you and yours  
is my sincere and hearty wish.

Yours

J. B. Smith.
