CHANCELLOR SHOULD RESIGN HIS OFFICE

Strong Demand Made by Radical Press of Germany.

BERLIN, Dec. 4.—(Can. Press).—The strife between the military authorities and the civilians in the little station town of Zabern, Alsace, brought about over night a political crisis of the most acute order in Germany, and demands for the resignation of the imperial chancellor were voiced by The Tageblatt, The Frankfort Gazette and other Radical newspapers.

The unsatisfying nature of Dr. Von Bethmann-Hollweg's explanations yesterday in the imperial parliament and the brusqueness of Major-General Erich von Falkenhayn, minister of war, it is pointed out, have not only ensured the passage of the resolution expressing non-confidence in the government, which was laid on the table yesterday, but have made possible a refusal by the imperial parliament to proceed with the discussion of the budget until it receives satisfactory guarantees that there will be no repetition of such incidents as those which have occurred at Zabern, where the high-handed action of the German army officers has created such tension.

WIARTON HAS DEADLOCK IN LOCAL OPTION MATTER

Difference is Over Preamble in Bylaw Drawn by Town Solicitor.

WIARTON, Dec. 4.—There is a deadlock in the council on the local option bylaw. The local option party wanted the town to accept the bylaw prepared by the Dominion Alliance, but the council got their solicitor to draw up another. The bylaw drawn up by the town solicitor contains the preamble "whereas a petition presented by, etc." The local option party object to this preamble, claiming that it weakens the bylaw, and makes it liable to attack.

The council is equally divided upon the question, four for taking the Dominion Alliance bylaw, four for taking the bylaw drawn up by the town solicitor, consequently the whole thing is blocked and an adjournment has been made for one week.

SHREDDED WHEAT

It is the real "staff of life," being made in Canada from the whole wheat grain, steam-cooked, shredded and baked under conditions that insure its absolute purity and cleanliness. More nourishing than meat or eggs, costs less and is much more easily digested. Supplies the warmth and strength that are needed for the chilly days.

Always heat the Biscuit in oven to restore crispness. Two Shredded Wheat Biscuits with hot milk or cream will supply all the energy needed for a half day's work. Try toasted Triscuit, the Shredded Wheat wafer, for luncheon, with butter, cheese or marmalade.

At Christiania and Frederikstad the streets in the lower parts of the towns are flooded. Inland many houses have been demolished and bridges swept away.

PUT CHRISTMAS STAMPS ON REVERSE OF LETTER

Postoffice Has No Objection to Such Decoration of Mail.

Owing to the fact that many Christmas stamps are being circulated at the present time, W. B. Rogers, postmaster of Toronto, has issued the following instructions regarding the use of these stamps:

"The postoffice department cannot permit the affixing on the face or address side of letters or other mail matter of stamps issued in the interests of charitable institutions, etc., but there is no objection to such stamps being placed on the back of letters or other matter as stickers, provided they do not resemble postage stamps in form and design and do not bear numerals or indications of value.

"Letters or other mail matter bearing such stamps will be returned to the sender as violating the postal regulations."
