HARDLY ENOUGH TO MAKE MARKET

About Three Hundred Cattle, Including Left Overs, Were on Sale.

CHOICE SOLD QUICKLY

Steady Prices for Good Butchers' Stock and Extra Fine Wanted.

The receipts of live stock at the Union Stock Yards vesterday totalled 51 cars, comprising 267 cattle, 29 calves, 781 hogs, 574 sheep and 380 horses.

There were hardly enough cattle on sale yesterday to make a market, probably about 300 all told, including some left over from Wednesday. The few good butcher cattle present were quickly bought at steady prices. Buyers for the larger packers are in need of good to extra choice beeves. The common dairy lots brought no better price than Wednesday, the bids for bulls being slightly easier. The market was soon sold out. Stockers and feeders have been more active sale this week than for some time. The demand is still strong. Yearling stockers are wanted on order from United States, and choice feeders and stockers for points in Ontario.

Good and choice milkers and springers were firm. Wm. Etteridge bought a very choice Durham cow, weighing 1600 lbs., showing excellent milking qualities, also a fine Holstein milker for \$100 each. The common classes are not in strong demand.

nmon classes are not in strong only a few calves came in; choice veal calves steady at 10c to 10½c.

The run of hogs for the week has been only fair. Prices are firm and unchanged

Market Notes.

It is the intention of the Toronto packers to again hold a live stock demonstration at the Canadian National Exhibition.

This demonstration exemplifies the profitable and the bad kind of live stock from a feeder's as well as a packer's from a feeder's as well as a packer's standpoint. Two O.A.C. graduates have been secured as lecturers, and it is well worth anyone's time to visit the demonstration, which will be held in the live stock division.
