Note and Comment

The Rodeo Veterans and their opponents, the present cricket champions, put in a pleasant time yesterday between showers, at the lacrosse grounds. The old-timers turned up four men short, but in with St. Andrew's boys, the match ending in a draw. Walter Leiger and F. J. Dunbar led with the bat for their respective sides.

DeLuna, the erratic thrower, for whom Paul J. Rainey paid \$45,000 as a two-year-old, is in France and has developed into a pretty fast sort of a number-topper. He will make his first start across country at Saint Ouen on June 19.

Earl Grey has signified his intention of attending the O.C. opening in his official capacity. In consequence of this pleasing announcement the Toronto public will see the coronation year opened by the marked by the picturesque pageant of his excellency and party driving to the Woodbine in state.

Regardless of their victory over the Leafs yesterday, the Bluebirds still the tailenders, a position claimed as the ancient heritage of Montreal. The Royals could have lost and still stayed out of the hole, but they didn't. The question is: What are we to do when the leaders come over in June and the cellar champions find us as easy?

New York Sun: In view of the tremendous hitting and unusual run-making in the major leagues this spring the big men in baseball are ready to make an investigation of the quality of the balls now in use. It was learned by the editors of the game are inclined to believe that the balls are much too lively, and that a partial return to their former composition is necessary.

"I don't believe in rowdiness, but legitimate kicking is all right," said a prominent baseball man at the park the other day.

"What do you mean by legitimate kicking?" asked another follower.

"Why, a protest against a palpably unfair decision," was the reply. "You can't blame an honest ball player for losing his temper when he sees his team getting the worst of the breaks. If he protests against bad decisions without using abusive language he is strictly within his rights."

"That's where you show your ignorance of the rules," retorted the other man, who pulled out a rule book and said: "Rule 6.3. Under no circumstances shall a captain or player dispute the accuracy of the umpire's judgment and decisions on a play. An umpire cannot reverse his decision unless it involves an interpretation of the rules, so all this kicking is of no avail. If there were no umpires baseball would be impossible. That is why they should be respected and players have no right to kick over balls and strikes, fair or foul balls, or base decisions, and whatever they do they should be severely dealt with."

Newmarket Athletic Meet.

Frank Lukeman of Ottawa has been invited by the Newmarket committee to be present at the Ontario championship held in that town on the 25th. He will compete against the best Ontario sprinters, with a view of retiring a line on his competition. The Central Y.M.C.A. have say there as may be settled in the half mile when Jack Trevelyan goes against Knox and Mel Brock. Jack upset all the odds in Hamilton couple of months ago and they expect him to duplicate his performance in Newmarket. The entry list is well filled and the different contests promise some exciting finishes.

JERSEY CITY WIN FIRST LEAFS BEATEN IN RAIN

Deininger and Shaw Had Home Runs—Tim Jordan Keeps Up His Batting—Other Games.

Jersey City took the first game of the series from the Leafs by 4-2. The game was played in a drizzling rain, which made the ball very hard to handle, particularly by the pitchers. Frill and Kilian, both left-handers, were the opposing pitchers, the Newark man being the most effective. While the same number of hits were made by each team, both pitchers struck out six batters. Kilian walked five to Frill's one.

Good, sharp fielding on several occasions prevented scores on both sides. In the first inning Jimmy Muller made a nice pick-up and throw to make Jake Heinman.

Bill O'Hara had a couple of good catches, particularly the one in the fourth off Deininger, after a great run. Tim Jordan also made a nice catch on a high throw from Kilian. He made the third out, and the bases were full.

Dolan furnished the fielding feature for Jersey City when he grabbed one off Tim Jordan that looked like a sure hit. Deininger also made a quick throw to his catch off Vaughn, when he doubled Koecher at first.

Deininger hit the second ball pitched him in the opening innings for a homer. It was a hard drive over O'Hara's head. In the second inning Dolan singled, advanced on an infield out and scored on Butler's single to right. Their other two runs came in the sixth inning. Dolan, the first batter, tripled to centre, a good, hard hit, and scored on Fullerton's single in the same direction. Vaughn threw Butler out at first, and Frill singled to left, scoring Fullerton. Deininger struck out, but when he walked, and when Abstein advanced on an infield out and scored on Butler's single to right. Their other two runs came in the sixth inning. Dolan, the first batter, tripled to centre, a good, hard hit, and scored on Fullerton's single in the same direction. Vaughn threw Butler out at first, and Frill singled to left, scoring Fullerton.
