Brighton, May 16.—At the Brighton Cheese Board today...

Horsey Style

A hat that's worth wearing to the races or any other thing or at any other time. Those are the hats we sell—hats that have style in them, that are made right and of the right material, that don't cost any more than the other kind. We don't pretend to be more than this: The biggest thing in the hat line in Canada—and your money's worth or your money back.
