

"Trust Not to Appearances."

That which seems hard to bear may be a great blessing. Let us take a lesson from the rough weather of Spring. It is doing good despite appearances. Cleanse the system thoroughly; rout out all impurities from the blood with that greatest specific, Hood's Sarsaparilla.

Instead of sleepless nights, with consequent irritability and an undue, tired feeling, you will have a tone and a bracing air that will enable you to enter into every day's work with pleasure. Remember, Hood's never disappoints. Scrofula Bunches—"An operation helped my son temporarily for scrofula bunches on his neck, but Hood's Sarsaparilla caused them to disappear entirely." Mrs. LEWIS A. CARPENTER, 51 Wadsworth Street, Hartford, Conn.

Catarh—"I have had no return of the catarh which troubled me for years, since Hood's Sarsaparilla cured me." Mrs. JOE MARTIN, Washington St., Ogdensburg, N. Y.

Dyspepsia—"Nothing relieved me of my dyspepsia until I took Hood's Sarsaparilla. It cured me and I can eat three good meals every day. I give it to my children every spring." FRED FORBES, 437 South Penna Street, Indianapolis, Ind.

WEEKLY REVIEW

The grain situation is much the same as a week ago. Both the supply and demand continue to be steady and unchanged. Oats and wheat were the only lines that came in; in fact, of late there does not seem to be much of any other kinds of grain in the hands of farmers here to bring in.

The supply of hay was only fair, but the demand has fallen away so much that sellers found it quite difficult to make sales, even at much reduced prices; \$6.50 to \$7.50 were the closing figures.

Dressed and live hogs were both steady, and found ready sales. Wool was firm, and in good demand.

American Markets.

CHICAGO, June 27.—Prospects for relief from the heavy burden of wheat at western points and an increase in the cash demand turned a weak market into a comparatively firm one today, and resulted in a closing advance in September option of 1/2c to 3/4c over yesterday. Corn and oats were firm, corn closing 1/2c to 3/4c higher, and oats 1/2c higher. Provisions advanced 1/4c to 3/4c. Minneapolis and Duluth receipts were 730 cars, against 720 last week and 650 a year ago. Chicago receipts were 194 cars—21 of contract quality. Total primary receipts amounted to 1,001,000 bu, compared with 1,000 bu last year. The west and northwest reported 7,000,000 bu.
