PROOF THAT NO ONE MAN IS ESSENTIAL TO SUCCESS OF TEAM

Ottawa Hockey Team Wins Despite Absence of Crack Players.

Ottawa, Feb. 18.-The Citizen today few weeks ago, critics along the N. H. L. circuit were kind enough to boost Sprague Cleghorn as the greatest all-round star in the game, and to intimate that without the Westmount boy the Ottawas would go to pieces. Cleghorn ottawas would go to pieces. Clegnorn took ill, and the Ottawas won their two most critical games of the first half without him. George Boucher replaced Cleghorn and played great hockey.

Then another blow hit the club, and they lost Eddie Gerard for two very moor and the second half. put out of business in the first five minutes, Ottawa supporters shook their heads dubiously and calculated that the Ottawa line, without the crack rightwing would blow up. Well, Denennay replaced Broadbent, and both McKell

GRAIN.
Winnipeg, Feb. 18.—Oats opened %c to ½c lower for May at 94%@94½c;
July, ½c lower at 89%c.
Barley opened %c lower for May at 31 52. Learned of Tanlac Through Others and Must Now Tell of Own Benefits.

Flax opened 19c lower for May at \$4 94, and 14c lower for July at \$4 66. Chicago, Feb. 18.—Opening: Corn-May, \$1 32%; July, \$1 29%.
Oats—May, 80½c; July 72½c.
Chicago, Feb. 18.—Fresh weakness showed itself in the corn market today. The chief new bearish factor was a department of justice refort in regard to From a weak, nervous and sick we man to a well, strong and happy one, is a long step, but Tanlac enabled me to accomplish it in a few weeks," said Mrs partment of justice report in regard to the seizure of foodstuffs in an effort to compel the lowering of prices. Declines in the value of hogs tended also to act as a weight on the corn market. Opening prices, which ranged from 14c to 1/2c lower, with May at \$1 32\% @1 33\% and July at \$1 29\% @1 30 were followed by James A. Henry, a well-known residen of Lingan road, Sydney, Nova Scotia recently. "It is not only a pleasure, but I regard it as a duty to tell you how much Tanlac has benefited me," she continued. "for it was by reading such statements from others that I was put on the right road to health.

"I contracted the influenza during the epidemic and it left me in such terrible condition I could hardly keep on COTTON.
Liverpool, Feb. 18.—Cotton—Futures closed barely steady. February, 28.76d; March, 28.46d; April, 27.82d; May. 27.12d; my feet, and was really too rundown and weak to do my housework. My stomach had never been strong, but this July 25.77d; August, 25.77d; September, 24.5id; October, 23.64d; November, could not eat anything without distress from bloating, and my appetite became from bloating, and my appetite became so poor I did not care whether I ate at Chicago, Feb. 18 .- Lower, quotations all or not. I was very nervous, too, and would roll and toss all night long and on hogs pulled down provisions. Selling, however, was not urgent.

OILS.
London, Feb. 18.—Calcutta Linseed feel so tired out when I got up in the morning that I could hardly dress myself. Then my whole system seemed to give way and I lost so much weight and got so weak I thought I would have -American refined, 2s 1d; ritis, 2s 2d.
