## CAPITALIZATION

Common Stock ..... \$2,500,000.00  
First Mortgage Cumulative Preferred Stock ..... 2,000,000.00

BONDED DEBT —  
First Mortgage 6 per cent. Bonds issued in 1902 ..... \$1,000,000.00  
First Mortgage 6 per cent. Bonds, Series "B" (Present Issue) ..... 750,000.00

Trustees for Bondholders and Agents for the Issue:—  
THE ROYAL TRUST COMPANY, MONTREAL.

It is proposed to secure the present issue of Bonds by a Mortgage on the Port William properties and 28 elevators in Montreal and St. Lawrence, which stand on the books at \$484,476.51 and are not covered by the Bond Issue of 1902. The Port William properties alone are considered more ample to secure the present issue of \$750,000.

When the Company was formed in 1902, the insurable value of the property amounted to \$1,235,000, whereas to-day the amount is \$2,371,451.

TERMS OF PAYMENT.  
5 per cent on application. 20 per cent on allotment.  
80 per cent, and the accrued interest on or before 7th August, 1908.

Prospectus with full particulars and forms necessary for application may be obtained from THE ROYAL TRUST COMPANY, and from the Branches of the BANK OF MONTREAL.

vesting and movements, but it is questionable if there will be any. The same identical cause has served as the buying incentive from the start, and it is probable that the short interest has been materially reduced and with rains a reversal of present trend is probable.

Wheat—The market at opening was 1/4 to 1/2 higher than yesterday, and corn futures 3/4 to 1/2 lower. The quality of fat cattle generally was not as good as on Tuesday's market.

Trade was slow, with prices lower for the bulk of offerings.
