ESTATE NOTICES. NOTICE TO CREDITORS.—In the Matter of Jos. Conway, of the City of Toronto, in the County of York, Merchant, Insolvent.

Notice is hereby given that the above named has made an assignment to me under B.R.O. 1887, Chap. 141, and Amendment Act, of all his estate and effects for the general benefit of his creditors.

A meeting of Creditors will be held at my office, 4 Wellington-street West, in the City of Toronto, on Tuesday, the 9th day of February, 1909, at 2.30 p.m., to receive a statement of affairs, to appoint inspectors and for the ordering of the insolvent's estate.

Creditors are requested to file their claims with me on or before the date of such meeting.

And notice is given that after thirty days from this date, the assets will be distributed among the parties entitled thereto, having regard only to the claims of which notice shall then have been given, and the Assignee will not be liable for any claims not so distributed, to any person or persons of whose claim he shall not then have had notice.

WEST TORONTO.

Board of Health West with Sanitary Inspector's Duties.

WEST TORONTO, Feb. 11.—Much of the time of the board of health to-night was taken up with a discussion as to whether Sanitary Inspector Moon should be provided with a bicycle or not. The question will after all be left to the council to decide.

The report of the medical health officer, Dr. Gilmour, showed that there were seven cases of scarlet fever, three of diphtheria and five of typhoid fever in the city during the month of January.

He also stated that the most recent patients of West Toronto were not so favorable as usual. Dr. Aymor, after analyzing two samples, one from the pumping station and another from a tap in a house in the centre of the city, found germs of typhoid fever in the water in each case.

Both the smallpox patients from West Toronto are doing well. City Solicitor A. J. Anderson leaves next Tuesday for a trip to the west. He intends to go as far as Calgary.

FARM'S INCOME FOR WIFE.
