Uhlan in 2.01 Flat  
Trots Mile to Wagon  
At Grand Circuit

CLEVELAND, O., Aug. 8.—The opening of the second annual meeting at the Grand Circuit track and the third week of the season was marked by a world's record in the trotting of a mile to a wagon. Uhlan, driven by his owner, C. K. G. Billings, trotted a mile to a wagon in 2.01 flat, setting a new mark for trotting geldings. It was apparent that the son of Blingam and Blonnie was out to make history when the first quarter was passed, and the board showed his time to be 2.04. When the half and three-quarter miles were passed and the black gelding was not fatigued for an instant, the big crowd stood up and begged him to beat his old mark of 2.04. He responded nobly, clipping one and three-quarters seconds off the record.

The money being awarded on the result of the race was \$200. Uhlan had an easy time of it in the four events on the program. With the exception of the 200 yds. race, the races were won in straight heats, with the choice of the field leading hands. The feature race, the 2.10 trot for the Tassie Stake of \$200, went to H. K. Devereux's chestnut Tassel, Oro Bellini, who was thought to have a good chance, was a bad sixth in the first heat, but came back strong in the next two, and by finishing second in both instances, divided second money with Nancy Royce, the money being awarded on the result of each heat. Tassel had a shoe at the start of the first heat and was scratched. Summary:

## LACROSSE NEWS AND GOSSIP

Aftermath of Saturday's Game—Montreal Next Saturday.

Had it not been for the good work of the defence end of the Nationals, says The Gazette correspondent at the stadium, the score in favor of the home team would have been larger, as the Indians outplayed and outran the French-Canadians in the field. It was the fine support the home of team received from their field and defence that enabled them to take a fall out of the visitors from Maisonneuve.

Before the teams went on the field the betting was 3 to 1 in favor of the Frenchmen, for it was not expected a team beaten only a week ago by the Shamrocks would be able to score a victory over the league leaders. While many expected the Indians to put up a hard fight on their own field, there were few willing to take a chance on their coming out on 2 to 1.

But the game Charlie Querrie's braves by the league and if they do as well next Saturday, it will be an exciting battle with Montreal.

When the Indians were walking off the field at the end of the game, Charlie Querrie promised Newell Lalonde they would help out the French-Canadians next Saturday by trying to give Montreal a trimming.

The work of the French-Canadians was disappointing to about 100 of their followers who accompanied them to Toronto, to win the championship the Nationals will have to play much better lacrosse than they did at Hamilton's Post.

The Guelph juveniles played the Hespeler juvenile lacrosse team in afternoon at Diamond Park. The Guelph team had it all over the local team, being a much heavier bunch of boys.

The Guelph team was picked to play against Woodbridge on Saturday.

Eaton's lacrosse team will practise on Tuesday, Wednesday and Thursday evenings at Diamond Park. The team will be picked to play against Woodbridge on Saturday.

The C. L. A. players yesterday afternoon at St. Catharines in a match between the Nationals and the French-Canadians. The Nationals won by a score of 10 to 5.

The Nationals will line up unchanged for next Saturday. Practice will be held every day this week. Before the big struggle, Eaton and Woodbridge will try to break an inter-mediterranean C.L.A. district tie.

## EAST TORONTO CRICKET CLUB

Men Who Played the Game 35 Years Ago to Play To-morrow.

Thirty-five years ago the East Toronto Cricket Club was in its infancy, and composed of these seniors, viz: John Maughan, John Chandler, Christopher Jordan and sixteen small boys. But the weak numerically, these members were of the material out of which good cricketers are made. They played the game for the love of it, and were not disheartened, though in their first twenty-one lost every one of their matches.

The following year, however, they played 20 matches, winning 20, a remarkable showing, considering that there had been no special additions to their playing strength.

After this members were added rapidly, and East Toronto became a club to be reckoned with its total playing strength was for several years over 100 members, and in the year 1887 they played 15 matches, winning 15, a greater number.

They met clubs from Detroit in the west to Napahine in the east, and in fact, it may be truly said that the East Toronto Cricket Club was the great promoter of cricket in Ontario at this time.

In 1888 the club won the championship of Ontario. It was what might be called well-balanced, and was especially strong in bowlers. R. McCa. Cameron bowled more than 200 wickets in one season, with an average slightly over 3, a very great performance, not since equalled. Among other members at this time were E. Harrison, S. D. Smith, W. J. Awty, G. S. Lyon, Pentland, Streeter, D'Eve, S. Flynn, Ed. Smith, Joe Snyder and G. B. Smith. These were hard men to beat, and for the most part have kept up their interest in the game till this day.

To-morrow, off the University campus, as many of the old boys of the East Toronto are as withly hall will gather to exchange reminiscences of their mighty past. A match will be played against Grace Church Cricket Club, in order that those interested in cricket may see how the game should be played. Refreshments will be served. All cricketers and their friends are cordially invited to be present.
