ANOTHER BABY'S LIFE SAVED

March 1st, 1916.
Freddie Annamonte, 157 Baldwin Street, aged 2 years, was relieved of monster Tape Worm by one dose of Prof. Mulveney's World-Famous Tape Worm Extremator. He was a very sick little boy, but is now improving nicely. This picture was taken yesterday.

Hanover, Aug. 1916.
Dear Sir,—We are giving your B'Well to our daughter (see picture), and since taking it she has not had one fit. Before, every month she had from one to fourteen at an attack.
I am enclosing \$5.00 for six packages.
Yours truly,
Prof. R. L. Mulveney.

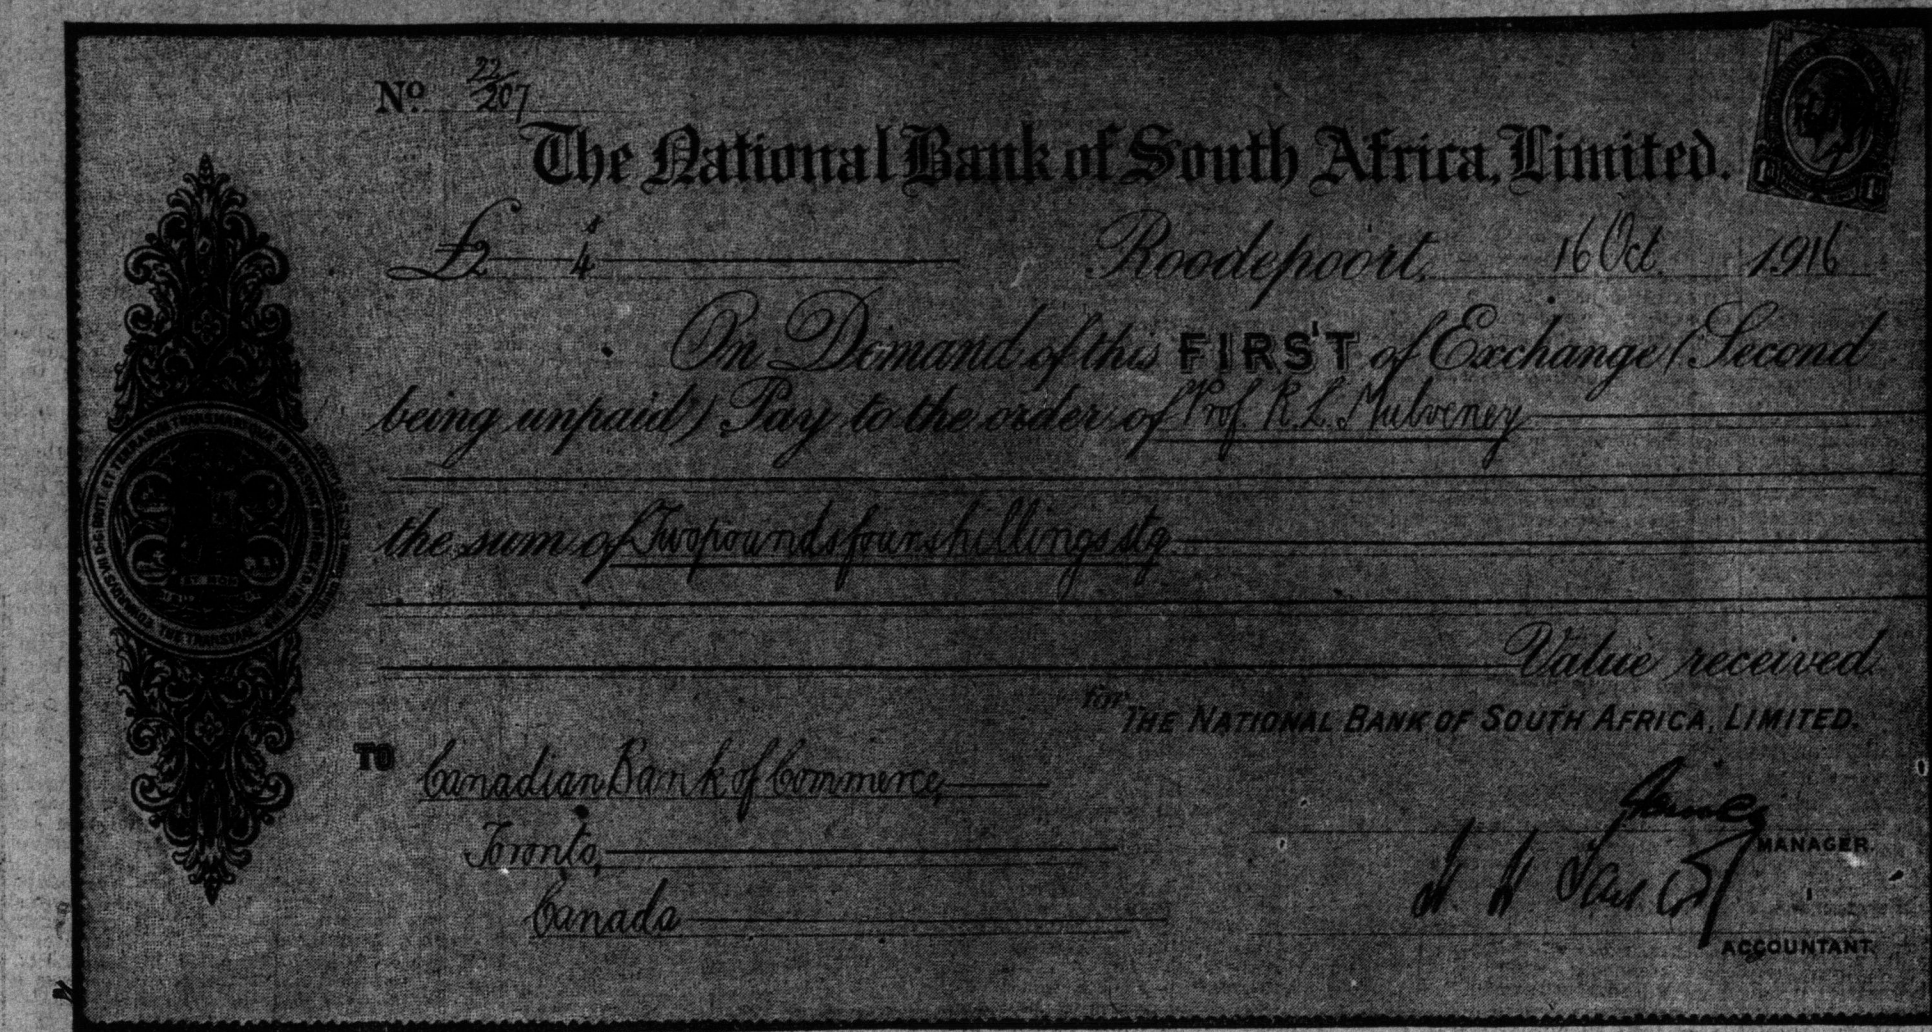

Andrew Buchanan.
Toronto, Sept. 21, 1916.
Little Andrew Buchanan's father brought a curious object expelled from his little boy, who had been very sick. It looks like a leech. I cannot say what it is, but little Andrew is doing fine since taking Mother's Friend. His father presented me with this picture and is much pleased with what Mother's Friend did for his only boy.

London, Ont., Aug. 23, 1915.
Dear Sir,—I am writing you in reference to that bottle of Rheumatoid. I received it safe; it is the real thing. Kindly send me another \$1.00 bottle. I must say it is the most penetrating liniment I ever used. I am using it for rheumatism in my joints. I enclose \$1.00 for remedy. I remain yours truly,
G.F.G.

Mother's Friend

FOR SICK CHILDREN.
CURES STOMACH AND RIN WORMS.
BUT IS NOT FOR TAPE WORMS.
This valuable medicine expels Stomach or Pin Worms. It is not only valuable as a Worm Medicine, but is an excellent Tonic, Physic and Appetizer, strengthens the Stomach, Liver and Kidneys, and has stopped some of the worst cases of Wetting the Bed. Many children that were wasted away to a shadow have been built up and made healthy and well from its use, and their mothers made happy. Good for Coughs and Colds, also checks Fever. It is a real Mother's Friend, and gains its name from restoring sick children to health and quietness.

This valuable medicine working wonders in all cases of sickness among children. I have one case in mind just now of a little girl eleven years old, who had been treated for over four years without any marked improvements. In fact she got worse all the time. Her case seemed to puzzle the physicians in attendance, and they finally agreed that an operation on the stomach would be necessary to find out what was the matter. Her father, being opposed to an operation, called on me for a bottle of Mother's Friend. He told me his little girl was in almost a hopeless condition, she measured 33 inches around the stomach, and her body wasted away to skin and bones; her arms no larger than a broomstick; she was a beautiful, patient child, with a lovely disposition; to make a long story short, Mother's Friend took away the enlarged condition of the stomach, built her up so as she was able to go to school, and, of course, it is a success to everyone in their neighborhood, and her mother and father made happy.

Another case comes to my memory of a baby about two years old. The mother brought her to me in her arms. She was wasted away to a living skeleton and was a pitiable-looking sight. This case was beyond all reasonable hope of recovery. I thought, well, your faith is great if you ever expected this child to get well. She purchased a bottle of Mother's Friend, and took it home, used it and the little one was relieved of scores of worms of different kinds. It was about three months after when this lady brought the little one with her to my office. She was after another bottle of Mother's Friend for her own children and another for one of her neighbors, she had recommended it to. I did not recognize either the lady or the child until she told me of the circumstances. She said, "Do you not remember me bringing a baby in my arms, all skin and bones?" "It is here, isn't she a fine healthy child now? No one would have believed it. Worms was the trouble. She got rid of scores of worms. Now you can see for yourself what a fine, healthy child she is. Just look at the rosy cheeks."

About 9 o'clock one night a lady called for a bottle of Mother's Friend. She said her little boy had been taking fits for 27 hours, and the doctor had given him up with brain fever. She had asked a lady friend to call in and look at him, and she pronounced him to have worm fever, recommended her to try Mother's Friend, and a few minutes after taking the first dose he went to sleep, and next morning was relieved of a lot of stomach worms. The little fellow has had no fits since, and is healthy and well.

Price, \$1.00. Put up two packages in one parcel. Each package makes one pint and a half of medicine. Just twice as much as in liquid form.

SAVED LITTLE GIRL'S LIFE TOOK CONVULSIONS A HORRID MONSTER TAPEWORM

BABY BROOKS of Toronto.

Toronto, Aug. 15, 1912.
To Whom It May Concern:
This is to certify that we have used Prof. Mulveney's World-Famous Tape Worm Cure with most gratifying results. My baby, two years old, took convulsions, and we discovered she had tape worms. I lost no time in going to Prof. Mulveney to get her cure, which we got and used, and I am pleased to say baby was relieved of a monster tapeworm, about 20 feet long, the head and all, in about two hours, without causing her to be sick, and without previous fasting. I have great reason to be thankful, as we realize this remedy has saved baby's life. I am giving Prof. Mulveney her picture, taken a week after being relieved of this monster, which he will be able to show you. I have given him perfect liberty to use it in any way he may deem fit in order that others may learn of this wonderful remedy.
Yours respectfully,
Mrs. B. Brooks.

A miniature photographic reproduction of postal advice for an order of \$9.00 balance due on tape worm cure sent to a party in Wamam, Corea, Japan. The first letter was 50 days reaching 167 Dundas street and it contained \$1.00. On account of the long time it would take to communicate two or three times, Prof. Mulveney sent the remedy, stating it was \$10.00 (ten dollars), and trusted to the honesty of the party to send the other nine dollars, which he received three months later. This shows his appreciation and that honesty of principle stands the test and distance makes no difference. Have you seen the wonderful collection of those death dealing monsters at 167 Dundas street, Toronto, that have been expelled by Prof. R. L. Mulveney's world-famous tape worm exterminator? It is surprising. Yes, it is certainly wonderful when you see the thousands of horrid tape worms that have been expelled by this most wonderful of all remedies. Men, women and children of all ages have been relieved and saved from a life of misery and an early grave. Some of the horrid tape worms have been sent thousands of miles from the far west and some of them from far across the sea.

Testimonials From Well Pleased Customers

Toronto, Dec. 23, 1913.
To Whom It May Concern:
This is to certify that I, Mrs. Pitchford, suffered from tape worm over three years, and I am pleased to say that one dose of Prof. Mulveney's famous Tape Worm Extremator expelled it and relieved me of that deadly monster, the head and all, in six hours. I am pleased to recommend his wonderful cure to others. You are at liberty to use my name in advertising. This testimonial is unsolicited.
Mrs. Pitchford.
Toronto, Can.
This tapeworm may be seen at Prof. R. L. Mulveney's office, 167 Dundas street.

Stoneleigh, Sept. 13, 1915.
Dear Sir,—I received your wonderful medicine, B'Well, and did not know the price had risen. Thank you very much for forwarding the medicine without getting the full price. I am enclosing for 50 cents in P. O. money, letter. Thank you again for your kindness in forwarding the medicine and hoping you may be spared long to help poor, suffering people.
Mrs. Stoneleigh, Ont.

Why Not Try B'Well?

It Makes People Feel Well

B'Well is a medicine that assists nature, made from roots, herbs, leaves, etc. The concentrated extracts of these herbs tone up the stomach, regulate the liver, act on the kidneys, and it contains a harmless worm destroyer that is sure death to worms, but harmless to even the youngest infant and can be used with perfect safety.
B'Well is not a tapeworm exterminator and is not recommended for that trouble. B'Well is restoring thousands of people to health. I am not going to enumerate the different diseases and complaints that people have been relieved from the use of B'Well, as it would take up too much space. I can simply say that restlessness and disease cannot remain if you take this medicine for a time, and it will surely make you feel fine.
It does not contain poison in any form, or narcotics that only relieve pain, but the different roots and herbs that regulate the system. It stimulates the stomach, liver and kidneys into healthy action, helps digestion and keeps the bowels regular, expels all gas and the system feels like good health to them that are downhearted and unhappy from disease. B'Well carries the poison out of the system through the natural channels of health, and as the poison is carried out of the system nature restores herself and a cheerful spirit follows, as there is nothing like good health to make a person cheerful and happy. People treated for B'Well fits have been restored by its use. Don't ask me if it cures this, that and the other disease. It is different from the most medicines advertised as cures, and I am not advertising this remedy as such, but simply advertising it as a medicine that has and will regulate the system, carry the poison out of the blood, and common sense must surely tell you the result. Men and women who have been nervous wrecks, with hollow cheeks and sunken brow, have become plump, healthy and cheerful from its use, and I can only say what it has done for others. It will surely do for you. Young men and women whose faces were covered with pimples and a sickening sight to look at are now free from them from its use. Men, women and children who had eating ulcers and running sores have been healed, and what it has done for them is as likely to do for you. Terribly itchy, scaly skin diseases have disappeared from its use and the sufferers made happy and healthy.

Prof. Mulveney's World Famous Tape Worm Remedy is saving thousands of valuable lives, and B'Well is doing just as much for those requiring this kind of medicine.
The letters from people who have used B'Well are sufficient evidence as to its merits. Price \$1.25 per bottle, six bottles \$6.00.
B'Well is put up in powder form for convenience to send to foreign places by mail, which does away with all breakage. The packages of powder makes twice as much medicine for the same amount of money. Full particulars for making. Price \$1.25, six packages \$6.00. Write for further information, free, and send stamp for full particulars, 167 Dundas St., Toronto, Ont. Phone Park 4830. These remedies are sold only by Prof. R. L. Mulveney, 167 DUNDAS STREET.
